NORVA WHITEHEAD FAMILY inspects the ruins of their home at 4235 Breckenridge lane, which was destroyed by fire Monday. Mrs. Whitehead and children, Tammy, 7, and Roy, 10, are shown outside, while Whitehead is searching among the ruins.

At Pontoon Beach

Family Loses Home, Belongings in Blaze

Help from friends, neighbors and even strangers was quick in arriving this week for the family of Norva Whitehead, whose Pontoon Beach home and belongings were destroyed in an \$11,000 fire Monday at 4235 Breckenridge lane. Mrs. Whitehead reported the family has received an overabundance of clothing, food, along with some furniture and monetary gifts from individuals and organizations.

Whitehead, a member of the Long Lake Volunteer Fire Department who is employed as a welder at the strike-bound A. O. Smith Corp. plant, was given a temporary highway job by Nameoki township to help tide the family over.

An insurance adjuster has already been on the scene to assess the loss of the seven-room frame and concrete block home, which burned to the ground, according to Mrs. Earl W. Young, a member of the Fire Department Auxiliary who accepted donations for the family.

Need House to Rent

The Whiteheads still are seeking to rent a suitable house for themselves and two children and are staying temporarily with their parents, Mr. and Mrs. Roy Whitehead, 4235 Division street, whose home is located opposite from the gutted house on Breckenridge lane.

The Volunteer Fire Department contributed \$180, the Retail Clerks Union donated \$100 as Mrs. Whitehead is employed as a clerk at the J. J. Newberry store, the Auxiliary provided canned goods and Catholic Charities contributed clothing and food.

Students and teachers at Parkview school, which the two Whitehead children attend, were assisting with clothing for a son, Roy, 10, fourth-grade student, and a daughter, Tammy, 7, a second grader.

The fire flared up later Monday causing firemen to return to the scene. Fire debris was still smoldering yesterday afternoon.

Meanwhile, Long Lake firemen battled another blaze at 9:20 p.m. Tuesday at a three-room frame house on Horse-shoe Lake road, occupied by Mrs. Mary Hutton and owned

Maeras Outlines City Work For Year

Curb and Sidewalk Replacement; 100 Tree Plantings Planned

Needed replacement of curbs, gutters and sidewalks will receive No. 1 priority for work to be done in Madison during 1968, Mayor Stephen Maeras told the city council Tuesday night.

Maintenance of all streets, such as curbing, rolling and sealing, will have No. 2 priority, he said. Efforts will be made to obtain motor vehicle tax funds to help finance the costs, he added.

In considering various projects for the year, the mayor said the city will step up its program in eliminating blighted buildings, including many houses which are occupied by junkies and are a nuisance to the city and legal department to push the program.

More than 100 new trees will be planted in the spring at a cost of \$1500 to replace others which died or were destroyed by vandals, the mayor continued.

Auto Nuisances

He objected to the nuisance of auto repairs being conducted on city streets during the day and night.

"If the city has no ordinance to control this, we should pass one," he said. "Many are old junkies and have no state licenses."

A contract for grading and draining the Stephen A. Maeras industrial park was let to the A-C Contracting Co. and the Helmholtz Contracting Co. of Wood River on a low bid of \$98,257. Bids on the project were announced two weeks earlier.

The firms have 100 working days to complete the project.

Bids will be sought soon for paving of Harris and Parish streets leading to the industrial park, for installation of sewer and utility lines.

The city is to construct a new plant for lease to the Caine Steel Co., the first firm to locate at the site. It is to be in

GC, Nameoki Valuations To Rise \$10 Millions By Review Board Order

Assessors Told Lots Assessments Must Meet State's Requirements

Action by the Madison County Board of Review to apply individual multipliers a gain in property valuations in under-assessed townships will increase 1967 values in Granite City by \$7.4 millions and those in Nameoki township by at least \$3 millions, it was learned today.

Notices that all "lot" assessments in Granite City are to be raised by 10% and those in Nameoki township boosted 25% were received Tuesday by township assessors. James A. Barton of Granite City and Joseph Cohen of Nameoki township.

Similar notices of varying increases were sent by the review board to assessors of other townships throughout the county where 1967 property valuations were determined by the board to be less than 50% of full, fair cash value.

Board officials declined comment on the move pending a deadline tomorrow for application of the county-wide multiplier by the Illinois State Department of Revenue. Such a state multiplier not only would affect under-assessed townships, but also would be applied to those where valuations already are 50% or more of full value, thereby creating wide inequities.

According to notices received by Barton and Cohen, the increases are to be applied to "lot" assessments and improvements on lots. This includes all real estate that has been subdivided and the improvements built on such lots.

Joseph Bergrath, assessor of Venice township, and O. R. Reeves, assessor of Chouteau township, said they had received no notices thus far. The notices were mailed by the review board Monday. Bergrath said that he has been doing property on a ratio of 60%, while Reeves said assessments in Chouteau township are based on a 55% ratio.

The increase does not apply to personal property or to "land" assessments which are made on tracts or parcels that have not been subdivided.

3 Systems To Combine Special Education

State-Required Region Will Expand Services To Handicapped Pupils

Establishment of a regional special education program including all three local school districts was voted Monday night by the Granite City school board, Madison and Venice action is pending.

Planned in conformity with new state laws, a regional board consisting of the superintendent and one or two board members from each district will seek to nearly double existing special education services.

By September 1969 it is hoped to expand the instructional staff from the present ten to 20 for educable mentally handicapped; one to three for trainable mentally handicapped; eight to 15 for socially maladjusted; one to two for learning disabilities; none to three for emotionally disturbed; eight to 11 for speech correction; and one to five for social maladjustment.

Existing joint agreements providing for teaching in East St. Louis or at homes are to be continued for the physically handicapped, blind and partially sighted, deaf and hard of hearing and multiply handicapped.

Seek Two Psychologists

Homebound instruction will continue, and the region will seek to employ two psychologists. Madison county schools jointly utilize four psychologists at present.

The 1967 legislation requires county or regional programs.

Edw. Stone Is Chairman, Salvation Army Board

Edw. Stone, manager of the local A&P Market, was elected chairman of the Salvation Army advisory board during a luncheon meeting yesterday at the Rose Bowl. Nine directors are to be elected at the Jan. 24 meeting, and installation will be held at the annual meeting set for Feb. 15.

Also elected to office on the 27-member board were: Richard West, vice-chairman; Arthur Harris, secretary; and Roy Lynn, treasurer, all re-elected. Stone succeeds Loren Davis to the chairmanship.

A. C. Stoeber, a former chairman, presided at Wednesday's meeting.

Capt. Harold Thomas submitted reports for October and November, during which expenditures for services and activities totaled \$8329, while income amounted to \$6782. During the two months, which preceded the Tree of Lights campaign, 13 transients were aided, and in the family welfare program, 193 individuals were given assistance.

\$1350 TV Set, \$1000 Cash Stolen at State Park Home

A combination color television and stereo phonograph console set valued at \$1350, plus \$1000 in cash were stolen in a burglary at the home of Roy Cook, 3309 VFW lane, State Park Place, he reported to the county sheriff's office at 12:05 a.m. Tuesday.

A fire at the home had been reported at 8:30 p.m. while the Cook family was away, and State Park Place firemen suspected arson.

The rear door had been left open. The TV-stereo set had been purchased by Cook three weeks ago. The money was taken from a bedroom drawer. Cook said the house had been burglarized previously.

Richard Spiroff, 2141a Edison avenue, reported on Tuesday that \$70 was stolen from a kitchen table in a burglary of his home. Entry was gained by forcing the rear door. Nothing else was missing.

BIRTHS

Births recorded at St. Elizabeth Hospital:

GIRLS

Mr. and Mrs. James Simpson, 4217 Marigold drive, Jan. 10, Jodi DeAnn, 8 pounds, 11 ounces.

Mr. and Mrs. Freddy Herrod, 1606 Fourth street, Madison, Jan. 10, Rhonda Denise, 8 pounds, 4 ounces.

BOYS

Mr. and Mrs. David Kirchner, 4019 Braden avenue, Jan. 9, Matthew David, 8 pounds, 6 ounces.

Mr. and Mrs. Adam Hornberger, 18 Cambridge drive, Jan. 9, Adam Robert, 8 pounds, 11 ounces.

Mr. and Mrs. Michael McCormick, 3131 Roadway avenue, Jan. 9, David Patrick, 7 pounds, 4 ounces.

Mr. and Mrs. James Porter, Collinsville, Jan. 7, Christopher William, 8 pounds, 15 ounces.

Changes in the Social Security Law under the new bill signed by President Johnson Jan. 2 will mean a benefit increase of at least 15% in the checks of about 27,000 persons in the Madison county area.

Brasher said the administration's high-speed computers are figuring the increases for all 27 million beneficiaries around the country and expects to finish the task in time to include the increases in checks delivered in March.

Beneficiaries need take no action to get the increase, it will be sent to them automatically.

Madison county residents can expect the first increased checks on Saturday, March 2, one day earlier than the usual 3rd of the month delivery, Brasher said. He noted that under a recent arrangement with the Treasury department and the Post Office, social security checks will be delivered a day early instead of a day late when the third of the month falls on a Sunday or a holiday.

Some beneficiaries will receive more than a 15% increase. The minimum benefit for workers retiring at age 65 is increased from \$44 to \$55. The average benefit paid to retired worker, about \$86, will be raised to \$98, an increase of \$12 a month.

The average couple's benefit, now \$145, will go to \$165, and the average aged widow's benefit will rise \$11 from its current average of \$75 to \$86.

The last increase in social security benefits amounted to 7% and became effective in January 1965.

About 3 out of every 10 beneficiaries receiving an increased check in March will be some one under 65, many of them children of working fathers who have died.

Under the amendments, Brasher pointed out, maximum payments to families now on social security roles will go up from the currently payable maximum of \$300 per month to \$322. In the future maximum payable monthly to any one family can be as high as \$434.

Area's Birthrate, Deathrate Up in 1967

The Quad-Cities birthrate and deathrate for 1967 showed increases over 1966, according to vital statistics compiled by Granite City Clerk Homer "Cal" Pendleton, who records the statistics for the entire area.

While no records were kept in 1966 with 444 deaths, 1967 with 426 and 1968 with 401.

For 1967, the monthly average deaths were 83 births and 39.9 deaths. The 1966 monthly average figures were 76 births and 37 deaths.

A breakdown of the 1967 vital statistics by month, showing the area's death rate in that order, follows:

January — 84 and 39, February — 61 and 30, March — 61 and 42, April — 58 and 53, May — 68 and 38, June — 75 and 37, July — 100 and 36, August — 113 and 39, September — 91 and 38, October — 102 and 30, November — 91 and 30 and December — 94 and 30.

Artwork Display Feb. 5-16 For GC Students, Public

State Supt. Ray Page today announced plans for arrival of the "Art Resources Traveler" here. The mobile art museum, developed by William Beamler of the office of the superintendent of public instruction, will be at Granite City high school from Feb. 5 to Feb. 16.

The unit will be open to junior and senior high school art students on school days and to others from 6 p.m. to 8 p.m. Admission is free. Children must be accompanied by adults.

Purposes of the new mobile museum are to stimulate interest and appreciation in the visual arts and to bring original art to all parts of the state. Included in the exhibition are 20 examples of art from major periods of art history.

The collection of art is on loan from the National Gallery of Art, Washington, D.C.; Cranford Art Museum, Cranford, N.J.; Art Institute of Chicago; the Field Museum of Natural History, Chicago; and the Olsen Foundation, Guilford, Conn.

3200-Year-Old Artwork

One of the objects in the exhibit is an Egyptian sculpture dating to 1300 B.C. The Egyptians used statues as a part of architecture to symbolize the longevity of the occupant of the structure. Egyptian art is rigid and the style of their art was prescribed according to the views of the kings.

The Egyptian figure is a carving in basalt of Lupa, a scribe and architect of Rameses II. The figure is carved from a block the shape of the base. The legs and feet are pressed compactly into the pillar and under the body. There is a symbol on his shoulder which probably identifies his position in the government.

On the front and back are hieroglyphics which tell a story of Lupa.

Other pieces in the collection illustrate the art of various periods in man's development and include work from Roman, Baroque, Renaissance, Early American and Impressionistic periods.

Attendance Urged

In announcing the visit by the unit, Page emphasized the value of viewing the exhibition and learning more about art of the past and present.

Local contact person for the unit is Owen Humphrey, curriculum coordinator for Granite City schools.

Parochial school seventh and eighth graders will visit the exhibit here during open time periods.

The afternoon of Feb. 15 will be set aside as an open house for school administrators.

Layoff Under Way of Depot Seasonal Force

A seasonal cutback of temporary employees at the Granite City Army Depot is currently underway, the Press-Record has learned.

About 110 were laid off on Dec. 29 and another 130 are due to be laid off soon, the depot said.

The cutback is being caused by the leveling off of overall supplies shipped to Vietnam and is being experienced at military installations throughout the country.

None of the permanent civilian employees are involved, a spokesman said.

With the rush to send supplies to the Far East more than a year ago, temporary employees were hired at the depot to do specific jobs for periods of six to 12 months, and for most their terms lasted a year, a depot spokesman said.

Other temporary civilian reductions have occurred in the past, it was reported, because of seasonal work.

In a year-end forecast, Col. Charles E. Hoskins III, depot commander, remarked on the likelihood of a seasonal upturn at the local installation later in the year, necessitating the employment of more temporary workers.

Jack H. Jaeger, 93, Retired Local Blacksmith, Dies

John Herman Jaeger sr., 93, of 2126 Cleveland blvd., widely known blacksmith in the Quad-Cities and the rural area for 70 years, was pronounced dead upon arrival at St. Elizabeth Hospital at 7:30 a.m., yesterday. He had been under a physician's care for some time, and was taken by ambulance from his home to the hospital.

Born in Germany, Mr. Jaeger had resided in the Quad-City area more than 70 years. Originally, he opened his blacksmith shop in Venice, later relocating the business near Emerson school, where he continued to work at his trade for most of his life.

Mr. Jaeger was a member of the Modern Woodmen of America. His wife, Mrs. Anna Jaeger, died in 1963.

Survivors include two sons, John Herman Jaeger Jr., and William Henry Jaeger, both of Granite City; one sister, Mrs. Emma Dietrich, of Chicago; and two grandchildren.

Funeral arrangements are given in today's obituary column.

Prof. Kuenzli Fined \$500 on Driving Count

Alfred E. Kuenzli, professor of psychology at Southern Illinois University - southwestern campus, pleaded guilty to a charge of reckless driving and was fined \$500 and costs Tuesday by Magistrate Thomas Welch of Edwardsville.

The professor was arrested Oct. 3 at a police road block St. Louis county after SIU-SW security officers and Illinois state police chased him from the local campus. Campus police had tried to question him about parking in a restricted zone on the campus when he fled.

Other charges pending against Kuenzli, 44, were dismissed on the motion of Lawrence H. Hartman, assistant state's attorney. They included battery, attempting to elude police, driving without a valid registration and two other counts of reckless driving. He was given until Aug. 30 to pay the fine.

Courthouse-City Parking Dispute Flares Again

An old dispute over free reserved parking for some county officials in front of the courthouse in Edwardsville has flared up again.

Edwardsville Alderman Clyde Hartung said he plans to enter an ordinance at the city council meeting next Tuesday night which would eliminate free parking for the county clerk, treasurer, recorder of deeds, circuit clerk, circuit judges, maintenance engineers and the court matron.

State's Atty. Leon G. Scroggins and members of the county courthouse committee plan to attend the meeting.

The city is claiming continued violation of parking meter regulations by jurors and county employees, even though a new free parking lot for 100 cars is located within two blocks of the courthouse. Employees complain that the lot is not lighted.

A towing crackdown was to go into effect this week, but it was discovered that the city ordinance provides a charge of not more than \$1.50 per tow, and the cost to the city would be greater.

One county official said, "Courthouse people are as unwanted as S&W and industry in Edwardsville."

Former Granite City Buried at Los Angeles

Funeral services were held Friday in Los Angeles, Calif., for former Granite Cityan Rudolph Hegedus, 56, who was stricken with a heart attack Jan. 2 at home, and pronounced dead upon arrival at a Los Angeles hospital. He had not previously been ill.

A native of Granite City, Mr. Hegedus lived at 11402D Washington Place, Los Angeles. He had moved to the west coast about 16 years ago and was employed as a process piping designer with a consultant engineering firm.

While a resident here, Mr. Hegedus was an American Steel Foundries employee. He was born in the West Granite area and attended local schools.

Surviving are his wife, the former Katherine Kobayashi of Granite City; two daughters, Mrs. Storm (Roberta) Allman of Simi, Calif., and Miss Peggy Hegedus, at home; two brothers, Alec and Arthur Hegedus, both of Florissant, Mo., formerly of Granite City; and grandchildren, Joseph, Peggy and Randy Allman, all of Simi, Calif.

State Loan Officers and Directors are Re-elected

Officers of the State Loan and Savings Association, Nidringhaus and Edison avenues, were re-elected in a regular reorganization meeting Tuesday night.

The board re-elected Dr. A. H. Rode as president, D. F. Little as executive vice-president, and Robert E. Backs as secretary-treasurer.

Directors re-elected for 1968 year include Dr. Rode, Bernard S. Miller, Carl A. Ranft, Alfred C. Stoever, Walter Sons, Little and Dr. J. C. Byers Jr.

The board said that it is "looking ahead to 1968 . . .

that savings inflows will continue to be adequate to meet the demands for mortgages in this area. There is already evidence that the demand for both single-family homes and new apartments is picking up. We anticipate that mortgage interest rates will be somewhat higher than those prevailing during 1967.

"All in all, we think 1968 is going to be another year of development and progress for State Loan and Savings Association."

The association recently reported assets of \$12,726,578, including \$10,541,046 in first mortgage loans and contracts and \$1,867,159 in cash on hand and \$91,775 in savings account loans.

A joint statement by the officers predicted that "from the way things look now, we think

Ill. Rep. Choate Here

Medal of Honor Winner To Speak at JC Banquet

Damaged in Madison

Cars driven by Richard Coker, East St. Louis, and John Phipps, 2002 Denver street, were damaged at 7:40 a.m. yesterday in a collision on McCambridge avenue at Third street in Madison. Police reported both cars were northbound at the time of the mishap. Coker's car was damaged in the right rear and Phipps' car in the left front.

Hit-Run Damage

A parked car owned by William McFarland, Glen Carbon, was damaged in the left front at 12:40 a.m. yesterday by a hit and run driver. McFarland said the car was damaged while parked on the Laclede Steel Co. parking lot in Madison.

Clyde L. Choate, minority whip of the Illinois House of Representatives and world war II winner of the Congressional Medal of Honor, will be the principal speaker at the Granite City Jaycees eighth annual "Bosses' Night" banquet and awards program set for Wednesday, Jan. 24, at the Rose Bowl restaurant.

Ronald Pennell, local high school teacher and banquet chairman, today announced that Friday, Jan. 19, is the deadline date for local organizations and individuals to nominate candidates for the Jaycees annual Distinguished Service Award and Outstanding Young Educator's Award. Pennell urges local residents and club officials to study the

backgrounds of young leaders in the community and place their names in nomination for the awards.

Nomination blanks, available from Pennell or other Jaycee members, must be handed in person to the chairman by Friday, Jan. 19, or mailed and postmarked the same date to Granite City Jaycees, Box 3, Post Office, Granite City.

The guest speaker for the DSA Awards banquet, currently is serving his tenth term as state representative from the 59th District, which includes the counties of Jackson, Gallatin, Williamson, Union, Johnson, Pope, Hardin, Alexander, Pulaski and Massac in southern Illinois.

Rep. Choate, 47, the son of a coal miner, was born in West

Frankfort, Ill. He was reared on a farm near Anna in Union county and was graduated from the Anna-Jonesboro high school.

Entering the Army as a private in world war II, Rep. Choate served 31 months overseas in the European Theatre and took part in the invasion of North Africa, Sicily, Italy, France and Germany as a sergeant.

He was cited for bravery in action on Anzio beachhead in Italy and twice on the battlefields of France, where he refused a battlefield commission. The 20-year veteran of the Illinois House was wounded in action and received the Nation's highest award—the Congressional Medal of Honor. He also holds the Purple Heart, French Fourragere, Bronze and

Silver Stars and the Presidential Citation.

A Democrat, Rep. Choate has held foremost positions of leadership in the Illinois House of Representatives, including minority whip during the 69th and 70th assemblies and majority whip in the 71st and 72nd assemblies.

His principal interest in the legislature involves education, conservation and development of the southern Illinois region.

In addition to awarding DSA and OYE honors at the Jan. 24 banquet, Pennell said that members of the local young men's service club will nominate and select a "Jaycee Boss of the Year," with the employer chosen presented a special citation and plaque.

Truant Officer Post Restored In GC District

The Granite City school board decided Monday night to hire a truant officer for the 1968-69 year. The position was filled in 1966-67 and the duties have been handled by other school personnel during the current year.

Lack of a truant officer this year is believed to have been a factor in an attendance drop at some schools.

It is felt that the salary would be offset by higher average attendance, boosting state tax aid. In addition, an early halt to truancy may prevent a student from developing a pattern of conduct detrimental to himself, board members said.

The administration will develop a list of qualifications preparatory to seeking applications for the truant officer post.

Retired Custodian Pay
The board adopted a policy revision regarding retired custodians employed temporarily.

If a regular custodian is absent for five days or longer without pay and if his position is worked by a retired member of Building Service Employees Local 98 in good standing, the rate of pay will be that normally paid for the vacancy filled, rather than the substitute rate. This applies also if there is a vacancy in a subsequent post due to movement of personnel for efficiency purposes.

In addition, if such a retired custodian is the only custodian in a building, except Logan grade school annex, he will be paid the same as others who are the only union man assigned to a school.

Local 98 has agreed that the policy change will not be a part of its working agreement and will not be considered as discriminatory to other substitute custodians or union members.

Rules For Spectators
Another policy decision by the board formally adopted rules of conduct and spectators for students and adult spectators attending athletic and extracurricular activities. Senate Bill 1413 bans enforcement of such rules unless made a part of the board policy.

The rules permit violators to be denied admission to school events for up to a year if a written ten-day notice and hearing are given.

Teachers Hired
Effective with the start of the spring semester Jan. 22.

They are Mrs. Marjorie Lynne Besant, Maryville, Ill., SIU bachelor degree, Stallings first grade; Mrs. Mary Steller Goetz, Wood River, Maunakee State, Wis., bachelor degree, Mitchell first grade; David Allen King, Springfield, Mo., Southwest Missouri State bachelor degree, Coolidge junior high school industrial arts; Mrs. Linda Sue Villavilla, 3940 Wabash avenue, SIU bachelor degree and two years of teaching, Logan second grade and eight years of experience, Parkway first level.

Other Faculty Additions
Mrs. Marjorie Evelyn Richards, Wood River, SIU bachelor degree, will teach English at Granite City high school beginning Jan. 15.

Mrs. Glenda Farley Hobbs, 2881 Madison avenue, Oklahoma College bachelor degree, was hired as a McKinley first grade teacher retroactive to Dec. 14.

James A. Heaton, Carbondale, SIU bachelor degree, will become an industrial arts teacher here at the start of the next school year in August.

The board accepted the resignation of Mrs. Sylvia Cross, 4062 Vesel avenue, a lower primary level teacher at Nameki school, effective Jan. 26.

Harold M. McCarty, 1709 Mitchell avenue, was employed as an assistant custodian at GCHS beginning Jan. 12.

Theft Charges Dropped By \$530 Restitution

Theft charges against Gary Nelson, 33, of Rock Island, Rodger Moline, 29, of Davenport, Iowa, charged with stealing \$300 from Bell's service station here last Saturday, were dismissed during a preliminary hearing before Magistrate Maeborn Wednesday afternoon.

Assistant State's Atty. Lawrence Hartman, who nolle prossed the case, said restitution of the money was made to the service station at Edwards street and Washington avenue and that the state had insufficient evidence for prosecution.

The two men were arrested in the 2100 block of Grand avenue at 3:55 p.m. Saturday, less than an hour after John Bell, operator of the station, reported the theft. The money was in a bank bag in a desk drawer.

Arrested at Hospital

Tony Stajdhar, 38, of 2667 Talbott street, was charged with disorderly conduct, intoxication and profanity at 6:55 p.m. Tuesday after police received a trouble call to the second floor of St. Elizabeth Hospital.

Venice Police Handle 3253 1967 Complaints

The Venice city police department handled a total of 3253 complaints during 1967 and made 447 arrests resulting in payment to the city of \$5460 in fines and fees, Chief of Police John Essington reported Tuesday.

In addition, the chief said, the department handled 287 accidents resulting in injuries to 10 persons and three traffic deaths.

Venice police officers made 774 written reports on investigations, and booked 82 juveniles.

Essington said a total of 61 persons were apprehended, including 190 for city code violations, 206 for traffic violations, and 69 for state code violations.

The department during the year picked up seven runaways and three material witnesses who were released without charge. Five persons were held overnight without charges filed. Nine mental cases were handled and 33 persons were apprehended for other area police departments.

Seven persons were arrested in connection with investigations and released without charges and nine others were arrested for immigration authorities. Two were arrested for the county coroner and one was turned over to military police.

Church Windows Broken

Two rear windows of the Pentecostal Church, Dewey avenue and West 25th street, were found broken after it was reported at 4 p.m. Tuesday that some boys were throwing snowballs at the church windows. The boys were gone when police arrived.

MORE ABOUT

GC, Nameoki

divided, nor the improvements built on land tracts.

Must Follow Order

Barton told the Press-Record that he had checked the matter with attorneys and that there appears no recourse other than to follow the review board mandate.

Cohan, however, said he "plans to protest as much as I can." Cohan said he is preparing a letter of protest which will be filed with the review board before the Friday deadline.

"We had one big jump in assessments here (in Nameoki township) in 1967 and that's enough," Cohan said.

Dale Hilt, chief clerk of the review board, said that after all town assessors have had an opportunity to discuss the matter with the board tomorrow, the review board will order legal publications of the multipliers applicable in each township.

20 Days to Object

Property owners will have 20 days after publication of the notice for their township to file objections with the Board of Review, Hilt said. This follows the same objection procedure after publication of regular local assessment lists except that property owners will have 20 days in which to file objections instead of ten days allowable under the first publication.

This will provide the opportunity to file objections by taxpayers who were satisfied with their property valuation as fixed by the local assessors but who object to the revised assessment under the review board's multiplier.

The board's order, unprecedented in recent years, followed recent certification by the department of revenue of a multiplier of 1.0399 to be applied to all Madison county assessments unless local values were brought to 100% of fair cash value as determined by the state revenue department in a spot check of real estate sales prices.

County 3% Short

The state revenue department held that the county's assessed valuation of \$885 millions for all 24 townships was 97% of the full fair cash value, of \$915,555,880 short of what it should be on a 100% basis.

Certification of the multiplier figure was made Dec. 13 to the office of Miss Eulalia Hotz, Madison county clerk who said an extensive effort in preparation of the 1967 tax books for collection of taxes this year is anticipated as a result of the additional work required by the board of review.

The review board obtained a 20-day extension of time for its work during the December meeting of the county board of supervisors, but is expected to seek additional extensions from the state revenue department to provide ample time for adjustment of township assessment figures.

Delay in completion of assessment work and board of review hearings on objections to local valuations results from the fact that 1967 was a quadrennial assessment year requiring review of all real estate property values.

Millage Decrease

A 10% increase in the 1967 valuation of lots and improvements, under the order received by Barton, would have the effect of nullifying a 10% decrease made by the assessor on much of Granite City's residential property earlier this year.

In addition, he said, it

Seaman Michael Kaminski Aboard Destroyer

Seaman Apprentice Michael R. Kaminski, USN, son of Mr. Walter Kaminski of 1300 Madison avenue, Madison, is serving aboard the U. S. Sixth Fleet destroyer USS Bache in the Mediterranean.

During the five-month deployment the Bache, along with other U. S. destroyers, will provide anti-submarine and anti-air support for one of two attack aircraft carrier striking groups in the Mediterranean. The Bache spent the holiday season in Hawaii where the crew had the opportunity to visit Nice, Marseille and Paris, France.

He said the Granite City valuation which he certified to the county for 1967 amounted to \$161,332,980. This was a reduction of \$1,066,234 below the total assessed value of \$162,399,214 in 1966, including the reductions made for residential properties.

Of the total 1967 assessment, however, \$74,235,940 of the amount represented values of lots, and improvements which will be affected by the Board of Review order calling for a 10% increase. On this basis, the 10% increase ordered by the review board would nullify all of the reduction made by the local assessor's office and add \$33,716 over and above the 1966 valuation of \$162,399,214.

To Raise Income

Barton said that much of this increase would affect industrial and commercial property. The 10% rise ordered by the review board, he explained, would merely nullify the local assessor's reduction of residential property values in the lots books, but since no reduction was made for industrial property any additional assessment would be a flat 10% increase of such valuations.

The anticipated increase of \$7.4 millions in the Granite City township assessment would provide about 25% of the county-wide shortage needed to meet the 100% valuation specified by the state department of revenue.

Cohan said that his 1967 assessment was about \$31 million and that a 25% increase on lots assessment under board of review orders would add another \$3 million to the total. "I am preparing a letter of protest which I intend to file with the Board of Review," Cohan said.

Enough For Area

"Since 1958 the assessments of Nameoki township have increased from \$21 millions to \$31 millions, and I think that is enough of an increase for this area."

Agents of the state department of revenue met in Edwardsville a year ago with local assessors and pointed out at that time that an equalization of assessment ratios would have to be made if the county was to avoid a state multiplier factor.

She said a number of Madison county assessment ratios were far below the required 50%, some of them running as low as 30%. While some Madison county assessors leveled the warning, others made 1967 assessments at ratios as low, or even lower, than those of previous years.

"We're interested in rainbows of reality, not of promise."

KIWANIS CLUB

KIWANIS CLUB LEGION OF HONOR awards being presented by Lt. Gov. Robert Karrer (left), Division 14, of the Illinois Eastern Iowa District of Kiwanis International to immediate past president Melvin Gillie, Past Lt. Gov. Marvin Barnes and Roy K. Graham, Charter President of the club in 1941-42.

GC Kiwanis Club Elects Michael Toundas President

Installation of officers of the Granite City Kiwanis Club was conducted Monday evening at the Rose Bowl restaurant, with Lt. Gov. Robert Karrer of Division 14 of the Illinois Eastern Iowa District of Kiwanis International serving as installing officer.

Karrer, a former Granite Cityan, is a member of the Kiwanis Club of Collinsville. The occasion also marked the presentation of "Legion of Honor" certificates and pins to three local members.

Those installed to serve in 1968 were Michael Toundas, president; Alvin Gross, first vice-president; Robert Lombardi, second vice-president; Peter F. Jellen, secretary; and James Schreier, treasurer.

Toundas operates a State Farm Insurance Agency at 1801 Pontoon road. He has been ac-

tive in St. Elizabeth's Catholic Church Holy Name Society and currently served as the Kiwanis second vice-president.

Those presented with the "Legion of Honor" were Past Lt. Gov. Marvin Barnes, Roy K. Graham, who was the charter president of the club in 1941-42 and immediate past president Melvin Gillie. The award is presented to Kiwanians who have served the organization and taken an active part in their program of community service for twenty-five years.

An inter-club meeting with the Kiwanis Club of Kirkwood, Mo., will be held Saturday evening, Jan. 13, in that city.

The Division 14 mid-winter conference will be held Tuesday night, Jan. 23, at the Roundtable restaurant, Collinsville.

The local Kiwanians will have a ladies night Valentine Party at the meeting on Feb. 12.

NEW OFFICERS of the Granite City Kiwanis Club were installed Monday evening. Seated is the new president, Michael Toundas, and standing, left to right, are Robert Lombardi, 2nd vice-president; Peter Jellen, secretary, and Alvin Gross, 1st vice-president.

Guaranteed Schedule Plan At SIU-SW is Successful

A guaranteed schedule plan adopted last fall by Southern Illinois University-Southwestern campus for its teaching centers at Alton and East St. Louis will be continued during the academic year beginning in September.

Robert W. MacVicar, vice-president of academic affairs for SIU, termed the first year trial of the plan a success, and announced its continuance.

The plan allows freshman students to take a full load of classes between 8:30 a.m. and 12:30 p.m. at either of the centers, and guarantees against

cancellation of required classes. Students attending evening classes are guaranteed a half-load between 6 p.m. and 10 p.m.

Next September, the freshman program will be continued and number of sophomore level courses will be offered in the guaranteed schedule to serve freshman students who have already completed a year of work.

At present 26 guaranteed classes are being taught at the Alton Center and 23 at the East St. Louis Center.

Hearing Today on Plea For Bi-State Subsidy

Officials of the Bi-State Transit System were to testify at Jefferson City, Mo., today before the Missouri House Appropriations committee in support of a request for a \$325,000 subsidy.

The hearing was set at the request of Gov. Warren E. Hearnes, who included the subsidy among items to be considered at the special legislative session but did not make it a part of his legislative program. The proposed subsidy would be half of a \$650,000 subsidy requested over a two-year period.

Jefferson has approved a \$400,000 subsidy but its payment is contingent upon a Missouri grant. Missouri legislators have predicted the proposal will not be approved because it would establish a precedent under which transit systems throughout the state would expect similar grants.

43 Building Permits In County List \$562,683

Forty-three building permits listing values of \$562,683 were issued for new construction in unincorporated areas of Madison county during December, according to Jack R. Clifford, county building official.

Included were 25 for homes, \$486,235; 14 for garages and additions, \$21,448; two for business and commercial purposes, \$40,000; one for a church, \$15,000; and one to raze a structure.

Jury Selected, Wallace Murder Trial Under Way

Selection of a jury in the Shelby Wallace murder trial was completed Wednesday afternoon in Madison county circuit court at Edwardsville and prosecution of the case was under way today in the court of Associate Judge Austin Lewis.

Wallace, 29, of Granite City, is charged with the fatal shooting of Terry Thwaitt Jr., 17, of Granite City, outside the Full Moon tavern along Route 111 at Horseshoe Lake on Oct. 1.

The prosecution is being conducted by Leon Scroggins, state's attorney, and the defense is being handled by Robert Trone, county public defender.

Young Thwaitt was struck under the right eye by a .45 caliber bullet. Authorities at the time said Wallace had been in a feud in the tavern earlier in the evening and had returned to shoot up the place. Thwaitt happened to be in the path of the gunfire.

Madison Man Dies of Apparent Heart Attack

Benny Taylor, 63, of 706 Jefferson street, Madison, died of an apparent heart attack about 5:40 p.m. yesterday while en route to St. Elizabeth Hospital by ambulance. He was pronounced dead on arrival.

Taylor became ill on the parking lot of the American Steel Foundries plant after he completed his shift at 4:30 p.m. Co-workers found him about 5:30 p.m., having difficulty in starting his car. He was taken to the dispensary where an ambulance was summoned.

He is survived by a sister, Julia McNeil, of St. Louis. He was taken to a St. Louis funeral home.

Gasoline Dealers of Area Elect Anderson

Quad-Cities Gasoline Dealers elected Leonard Anderson as their 1968 president at a monthly meeting Tuesday night at the Chamber of Commerce office. He succeeds Ralph Strain.

Jerry Snyder was chosen as vice-president, Bob Bradley as treasurer and Fred Hagg, Corky Christiansen, Mike Vesel and Bill Fallis as directors.

It was decided to meet in the future on the second Wednesday of each month. Formal steps are being taken to incorporate the organization.

Backs into Accident

While backing up to permit a truck to turn left from Madison avenue onto 18th street, the rear of an auto driven by Ilse O. York, Collinsville, struck another driven by O. R. Yates, 2445 Jordan avenue, who was stopped in a traffic lane.

County Zoning Board OK's Radio Club Bid

The "Madison county zoning board of appeals has recommended granting of a petition by the Egyptian Radio Club on Chouteau Slough road to place a mobile home on its property in an M-2 general manufacturing district of Chouteau township.

The board recommended denial of a petition by Jack E. Vaughn to place a mobile home in an R-3 one-family residence district in Chouteau township.

Action on the recommendations is to be taken by the county board of supervisors at its meeting next Wednesday morning.

Rotary Demonstration On Pheasant Hunting

Equipment and techniques for hunting pheasants, ducks and geese were shown to Madison Rotarians yesterday by the Egyptian Radio Club on Chouteau Slough road to place a mobile home on its property in an M-2 general manufacturing district of Chouteau township.

A short program by Lawrence Palkes next Wednesday is to be followed by a board of directors and committee meeting on a proposed recreational facilities project.

County Seeking Aid To Get Study Grant

Aid in securing a federal grant to finance a three-county refuse-disposal study in Madison, St. Clair and Monroe counties was sought by Madison county officials yesterday from representatives in the U. S. Senate and House.

Letters signed by County Board Chairman Harold Landol and members of the county sanitation committee were sent to U. S. Senators Everett M. Dirksen and Charles Percy, and to Cong. Melvin Price and George Shipley, urging the legislators to use their influence in helping the three counties receive a federal grant by March 31.

An application for funds has been filed with the Department of Health, Education and Welfare.

Worthen

calf (one year) and Royce Timmons expire this spring, and a Feb. 26-March 23 filing period for the April 13 election was established Monday night.

Worthen, whose accounting duties as president of business and personal obligations will prevent him from continuing as president.

Expected Special Election
He noted that a tax referendum and school construction program is under discussion and said he feels whoever is president will need to devote time and leadership in acquainting voters with the program.

While leaving the presidency, Worthen said he plans to remain an active board member. His thoughts will be given in writing at the next meeting, he said.

During Monday's session, the board revised its secretarial hiring policy.

At the new procedure, at least three candidates will be interviewed by the person for whom the secretary is to be hired. The personnel office and the administrator will present the names of the three best qualified applicants to the superintendent for his recommendation.

Supt. Bob J. Davis then will present data on the three to the school board. After hearing board members' discussion, he will submit a single recommendation for board approval or rejection.

A delegation from the Nameoki-Pontoon Little League was asked to work with Administrators Tully Heubner and Donald Kopp in developing plans for a second baseball field on the Nameoki grade school campus. Those conferring with the board were Norman Reiske, John Sney, Terry Lively and Joseph Senior.

The board approved Redskins as the team name and Kelly green and white as the school colors at new Grigsby junior high school.

Mitchell Sewer Hearing
Permission was given for the public water district to use Mitchell school Jan. 20 or Jan. 27 for a public hearing on the feasibility of constructing sewers in the water district area.

St. Margaret Mary school is to use the Mitchell gymnasium for basketball games Jan. 17-26; and for the park district to use the GCIS gym for its annual winter carnival March 12.

William Schmitt and Walter Whitaker were authorized to attend the National Wrestling Coaches meeting and clinic at Pontoon Park, March 20-22.

The board noted that Comptroller Victor G. Andersen has been certified nationally as a registered school business official, and that M. A. Wittevorngel, Ralph Bailey and Eugene L. Aiaasi have aided the Cahokia Mound Boy Scout Council in preparing a plaque to be dedicated at Camp Sunnen in honor of Joseph Sunnen.

Bid awards were voted for folding chairs and arms, library furniture, lighting supplies, a scroll saw, tires and construction materials and bills paid to total \$124,405. Salaries amounted to \$784,527.

Approval was given for improvement of steam traps in the high school heating system, replacement of a Webster school stoker motor, repair of football equipment and replacement of an atomizer in the high school boiler.

MORE ABOUT Three Systems

based on at least 15,000 students.

A plan worked out after extensive discussions this fall and winter designates as Region One the Granite City, Madison and Venice districts, with a total school population of 19,622; Region Two, Edwardsville, Collinsville, Highland, Triad, Worden and Livingston, 20,173 students; and Region Three, Alton, East Alton, Wood River, Bethalto, Roxana and Jerseyville (Jersey county) and Southwestern (Macoupin county), 34,813 students.

Shortage of Instructors
Unless the districts implement the plan voluntarily, the state is authorized to send a program for them. However, full implementation may not be possible due to a national shortage of special education instructors.

Goals of the plan are:
1. Increased services and facilities for handicapped children.
2. Improvements in the quality of programs presently offered and in future offerings.

Increased efficiency in operation through coordinated, cooperative planning.
Various classes are expected to be located in all three Quad-City school districts. Reciprocal programs with other regions and counties also are anticipated.

At present each school system is responsible for its own special education. In some cases, two or more have exchanged pupils on a tuition basis to allow for better age grouping.

Inadequacies Cited
However, not all handicapped children have been provided the services they need, school administrators believe.

"The number here who could benefit from the regional program are estimated at 404 in EMH (202 learning disabilities and 202 emotionally disturbed), plus 40 trainable, 20 physically handicapped, six blind, 12 partially sighted, 20 deaf and partly deaf, 10 multiply handicapped and 1012 with speech problems.

A regional special director and two psychologists are to be hired this year for the 1968-69 school year, and subsequently one more psychologist and one EMH-TMR supervisor, a speech correction supervisor and a supervisor of emotionally disturbed pupils in the Quad-Cities.

Each district is to pay the cost of educational expenditures for its children and the spending level is projected as rising substantially during the next several years.

operation during the summer.

Other Firms Interested
The mayor said the city administration is still negotiating with another firm, which deals with foam rubber, interested in locating in the area. He said several others have warehouses in mind at the park.

A company based in Pennsylvania is interested in a million square feet of warehouse space, the mayor related, but "it may be too big for us to finance. We can offer them the land, as the firm is well able to finance its own construction."

The council authorized the mayor to offer \$3000 for purchase of property adjacent to the city garage on Third street. The tract has frontage of 25 feet and, if it is acquired by the city, a house on it would be razed. The mayor said the owners are asking \$4000.

Phenol in Water
Mayor Maeras reported on a meeting last Friday of local mayors with officials of the East St. Louis & Interurban Water Co. concerning phenol in the water supply last week. He said the source of the pollutant could not be found, perhaps because of icy conditions on the river.

He called it a "terrible injustice" and said, "We should enlist the state's help to prevent this from happening again."

The mayor called for more controls over the cost of repairs of city equipment, and purchase orders now are to be signed by the council's purchasing committee if repairs cost more than \$55 over the city estimate.

U. S. Mediators Enter A. O. Smith Labor Dispute

The Federal Mediation and Conciliation Service of St. Louis has intervened in the labor dispute between A. O. Smith Corp. and Boltermakers Union Local 875, it was reported today.

Arrangements have been initiated to resume contract talks between the company and the union as soon as possible.

Chandler Fizer, assigned as mediator of the dispute, told the Press-Record this morning, "Fizer is to be assisted in the negotiations by Robert Gonsrud, also a federal mediator."

Fizer said that he has talked with both company and union representatives and that arrangements are under way for a meeting. No definite date has yet been set, Fizer said.

Strike in 11th Day
Meanwhile the strike of more than 1200 members of the Boltermakers' union employed at the A. O. Smith plant went into its 11th day. The strike began at 12:01 a.m. Jan. 1 immediately after expiration of the union's old contract.

Although 26 separate negotiating sessions were held, contract talks between the union and company broke off at noon on Dec. 31 with union announcement that negotiators had failed to reach agreement "on anything at all."

The A. O. Smith plant, which manufactures auto frame for Chevrolet plants, shut down operations immediately after the walkout.

The union is maintaining a picket line at the plant entrance.

Gifts Prepared Here Given Out in Vietnam

Local Red Cross directors, meeting Tuesday at the Trust and Savings Bank, learned that receipt has been acknowledged in Vietnam of the hundreds of gift bags prepared here for servicemen.

The "city bags" were distributed during the holidays.

A busy December schedule of Quad-City activities included 15 instances of financial assistance totaling \$905, 13 emergency leaves, nine leave extensions, 13 health-welfare cases, one disaster communications report, 72 other reports, one instance of traveler aid, one Job Corps assist, 130 counseling cases, 11 informational cases, 24 miscellaneous services and aid to 27 veterans obtaining pensions and compensation.

It was announced that 274 pints of blood were contributed at American Steel Foundries and 147 pints at the Army Depot in the past month. A report showed that local Red Cross youth clubs took an active part in providing Christmas baskets for needy families of servicemen and veterans.

Chapter Chairman Jack Abelson presided.

Carol Renee Taylor, 16 Days Old, Dies

Carol Renee Taylor, 16-day-old daughter of Mr. and Mrs. James H. Taylor, 2129 Collinsville avenue, Madison, succumbed to a congenital ailment at 1:30 a.m. today at Children's Hospital, St. Louis. She was born at St. Elizabeth Hospital.

Beside her parents, the infant is survived by maternal grandparents, Mr. and Mrs. William Wells of Belgrade, Mo., and paternal grandparents, Mr. and Mrs. Henry Taylor of Madison.

Funeral arrangements are pending at Sedlack Funeral Home, 615 Madison avenue, Madison.

GC Man Bound Over to Grand Jury on Battery

George E. Biggs, 40, of 1708 Cleveland blvd., was bound over to the Madison county grand jury Wednesday afternoon on a charge of aggravated battery. He was released on \$10,000 recognizance bond.

Biggs was arrested at 5:10 p.m. Monday on a complaint signed by Mrs. George Bentz, 2055 Cleveland blvd., who suffered a long cut to an arm requiring sutures.

Mrs. Ringering, 82, Dies; Leaves Son Here

Mrs. Mary M. Ringering, 82, of Rural Route One, Edwardsville, the mother of a local resident, died at her home at 9:20 a.m. yesterday. She had been ill and under a physician's care.

A native of Plainfield, Ill., Mrs. Ringering had resided most of her life in the Edwardsville area. She was a member of St. Paul United Church of Christ, Bluff road, and the church's Women's Guild. Her husband, George Ringering, died on Feb. 2, 1954.

Survivors include three sons, Arthur Ringering of Granite City and August and Edwin Ringering, both of Edwardsville; two daughters, Mrs. Howard (Jeanette) Popham and Mrs. Lawrence (Edna) Popham, both of Edwardsville; one sister, Mrs. Elizabeth Finke of Bethalto; a brother, Fred Ringering, of Edwardsville; 11 grandchildren and four great-grandchildren.

Funeral arrangements are given in today's obituary column.

a search for North Vietnamese infiltrators in a village about 25 miles northwest of Da Nang and was distributing pamphlets to villagers when the mortar and artillery barrage took place.

Before returning home on a 30-day leave in August, the young Marine had served 11 months in Vietnam and was involved in numerous actions as a forward observer for U. S. artillery deployment.

He volunteered to return there for seven months additional duty and arrived back in Vietnam in early October.

On his second tour, Cpl. Magyar initially was assigned as chief radio operator at battalion headquarters, but requested re-assignment to a Combined Action Group shortly after his arrival.

Born in Granite City, the serviceman was graduated from St. Joseph's parochial school and in 1963 from Granite City high school. He was employed in the IBM department at Tri-City Grocery Co. office and later worked at General Steel Castings until enlisting in the Marine Corps in September 1965.

After boot training, Cpl. Magyar attended radio school and was graduated as a qualified radio operator. He was a member of St. Elizabeth's Catholic Church and a former member of the church's Catholic Youth Organization and the Paddlers' swim team.

Besides his parents, also surviving are two brothers, Mark, 13, and Rory, 11, his grandmother, Mrs. Balazs Magyar sr., of Granite City, and several uncles and aunts.

The serviceman's remains are expected to arrive Friday in Vietnam within eight to ten days. Mercer Mortuary will have charge of arrangements.

Stamps' Appeal Of Death Penalty Further Delayed

Appeal of the murder conviction of John Stamps, 26, of Granite City, and a death sentence that originally was scheduled for yesterday, has been further delayed with the withdrawal of Stamps' court-appointed attorney and the appointment of a new attorney.

Stamps and two other Menard prison convicts were sentenced to death several months ago by Circuit Judge Creel Douglas following the longest criminal trial on record in Illinois. The trio was convicted for the slaying of three prison guards in a riot at Menard in November, 1965. Execution date was fixed for Jan. 10.

Murder convictions carrying a death sentence are automatically appealed to the Illinois Supreme Court. Stamps' attorney, Richard Shalkowitz, of Alton has since withdrawn from the case and Judge Douglas recently reappointed Stuart Lefstein as Stamps' attorney. The time required by Lefstein to acquaint himself with the case and for preparation of the lengthy court record is expected to take the next two or three months before the high court considers the case.

was outfitted with new clothing and shoes by the Salvation Army. Mrs. Geraldine Reber of the Madison EOC Neighborhood Service Center, said today.

An appeal for clothing to aid the distressed family, whose children range in age from four to 11 years, published in last week's Press-Record, resulted in several items of clothing being brought to the center at 145 Madison avenue, Madison.

The appeal was made after EOC staff members discovered that clothing stocks were depleted at Protestant Welfare and Catholic Charities.

Girls Scouts to Help

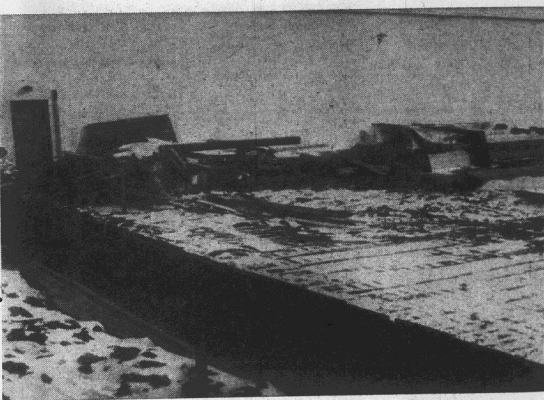

To assist future distressed families, members of Girl Scout Troop 799, sponsored by the Madison-North Venice PTA, have agreed to collect used clothing from area residents between 9 a.m. and noon Saturday.

Mrs. Mabel Dandridge, troop leader, said local families wishing to donate items to the project may call Venice City Comp-troller Carl Byrnes, at the city hall, 877-2114, leaving the address where clothing can be picked up Saturday.

Donated items will be stored at the EOC center, where persons in need may try on the garments.

Mrs. Ruby Williams, a center supervisor, commented today, "We will put to good use any clothing donated." She added, "only this morning, a woman came into the center urgently needing a coat for her small boy, who has been without one all winter. The person sank she was unable to go to the used clothing outlets in Granite City as she was without bus fare."

"It is to help such people that we appreciate the efforts of the Girls Scouts and other contributors to our distressed families clothing supply," Mrs. Williams said. The center previously has not kept used clothing on hand.

PLAN FOR CORONATION
The Venetian Tops (Take Off Pounds Sensibly) chapter held a business meeting at the Venice public library Monday evening.

The meeting was conducted by Mrs. Jeannette Woodrome. A transfer from the Ship-Shape Tops chapter in Madison, Mrs. Nancy Schmitt, was introduced. Queen of the week honors were awarded to Mrs. Carol Williams. A five-week contest will begin Jan. 15 between the Venetian members.

Coronation of the Venetian queen of 1967 was discussed. It is to be held in February. Present were Mesdames Lisa Bauer, Shirley Watkins, Schmitt, Williams, Laura Fichte, Nadine Mesch, Lora Hollis, Ann Welch, Mary Fansler, Eileen Robinson, Donna Kagy, Roseann Burbridge, Annette Ahrens and Ruth Burlingame and Misses Linda Marcus, Deborah Fichte and Evelyn Ritz. Closing prayer was by the chaplain, Mrs. Burlingame.

A pink and blue shower was given in honor of Mrs. Sharon Odum of Granite City Tuesday evening at the American Legion Post 307 hall by Mesdames Beulah and Bobbie Sizemore. Refreshments were served.

Games were played by Mesdames Doris Wilson, Pat Wilson, Billie Creath, Ellie Wilson, Helen James, Betty Weston, Cheryl Weston, Roberta Cook, Laura Fichte, Deborah Harris, Cheryl Briggs, Sara Riverburgh, Victoria Simmons, Donna Cook, Linda Bourland, Judi Jakich, Faye Wilson, Jane Duncan, Sherry Wilson, Estella Bone and Faye Smith.

Mrs. Odum received many gifts.

YAK YAK CLUB ELECTS
MRS. INA CAMPBELL
The Yak-Yak club held a business meeting Monday evening.

Election of officers was held, with Mrs. Ina Campbell named president; Mrs. Faye Smith, secretary-treasurer; Mrs. Margaret Stover, flower fund chairman; and Mrs. Beulah Sizemore, birthday chairman.

A luncheon was enjoyed by Mesdames Katie Dymas and Katie Sinyki and the new officers.

The next meeting will be held Jan. 22, with Be hostess, Mrs. Emilie Adams.

Feb. 15 Deadline to Display New State License Plates

Midnight Thursday, Feb. 15, will be the deadline for displaying 1968 motor vehicle license plates on the vehicles, Secretary of State Paul Powell announced today.

Persons applying for their license plates by mail should be sure to have their applications in his office no later than Feb. 15, and preferably by Jan. 25, to have any assurance of receiving the plates in time for the deadline.

The plates are handled as third class mail, Powell said, despite the fact that the identification card enclosed in a pocket on the new 16-cent class rate. Plates may be purchased over the counter of the First Granite City National Bank and Granite City Trust & Savings Bank.

Secretary Powell also emphasized that the Feb. 15 deadline is for having the plates mounted on the vehicles, not merely applied for, lying on the seat or in the glove compartment.

At present, about 2,000,000 vehicles have been registered which is about the same amount registered at this time a year ago.

Operation of waste treatment facilities at the Wood River refinery of Clark Oil & Refining Corp. has been approved by the Illinois Department of Public Health, Division of Sanitary Engineering, it was announced today at Springfield.

Much of the talk you hear is not as broad as it is long.

Games were played by Mesdames Doris Wilson, Pat Wilson, Billie Creath, Ellie Wilson, Helen James, Betty Weston, Cheryl Weston, Roberta Cook, Laura Fichte, Deborah Harris, Cheryl Briggs, Sara Riverburgh, Victoria Simmons, Donna Cook, Linda Bourland, Judi Jakich, Faye Wilson, Jane Duncan, Sherry Wilson, Estella Bone and Faye Smith.

SOCIETY

Irish Setting For Meeting

The Granite City Steel main dining room was decorated as an Irish castle in Ireland Tuesday evening for the entertainment of the Granite City Steel Women's Association.

Guests were greeted by a page, Sir Robert (Steven Gaumer), and records Burreilly Irish singers provided the background music, adding to the castle atmosphere.

The tables held huge baskets of fruit, heavy candlesticks, whole leaves of bread. Each guest was given a large bib and only a knife for eating.

To complete the program the O'Sullivan Irish dancers of East St. Louis performed with authentic dances.

The entertainment committee, Mesdames Mary Corday, Verna Lengyel, Hilda Bowen, Kathy Gaumer, Wanda Schewe and Gay Rosch, were all dressed in authentic 18th century costumes.

Mesdames Corday, Gaumer and Schewe had visited the castle while on vacation last summer, and were served in the same manner while dining in the castle.

Handicraft Art For Rotary Anns

A meeting of the Rotary Anns was conducted Tuesday afternoon in the home of Mrs. Lorraine Decatur, 229 Colgate drive. A noon luncheon was served by hostesses Mrs. Peggy Koerper and Mrs. Mary Wilkins.

A new member, Mrs. Georgia Bauman, was welcomed by the group.

It was noted that a number of the members are on the sick list.

Following the meeting, a handicraft session was held with the members using Christmas cards and various items from the holiday decorations to make table place cards and other household decorations.

The February meeting will be held in the evening, and the hostesses are to be Mrs. Mignon Abernethy, Mrs. Margaret Coe, Mrs. Marie Day, Mrs. Rose Polson and Mrs. Jo Ervey.

Those present for this week's meeting were Mesdames Margaret Jean Van Meter, Carlita Fox, Millie Hoskin, Evelyn Ackerman, Dorothy Maer, Abernethy, Day, Carol Davis, Clara Huber, Moine Anderson, Carman Froemling, Sue Schelbal, Betty Mathias and Catherine Kulenkamp.

Thurs., Jan. 11, 1968 Page 11

Thorngate Club 1968 Election

An election of officers of the Thorngate Garden club took place Tuesday afternoon during a monthly meeting held in the home of Mrs. Robert Miller.

Those elected to serve second terms were Mrs. Miller, president, Mrs. William Kincaid, vice-president, Mrs. Lawrence Markham, secretary, and Mrs. James LaVelle, treasurer.

Tentative plans were made for the programs to be used during the coming year and for completion of yearbooks. As a fund-raising project, the club will sell aluminum knives.

To begin the program for Tuesday's meeting, each member answered roll call with a favorite indoor plant. A discussion on spring planting was conducted and was given a packet of seeds.

The next meeting will be held Feb. 13 in the home of Mrs. William Kincaid. A white elephant sale will be held at that time.

Those present were Mesdames Frank Hanfelder, Robert Leu, James LaVelle, William Kincaid and Charles Delp, Miss June Markham and a guest, Mrs. Pearl Young.

PEO Scholarships Are Available

Mrs. Velma Gruen entertained members of Chapter KU P.O.E. Tuesday evening in her home, 2252 Woodlawn avenue, with 12 members present.

Mrs. Ben Schaefer, president, presided at the business meeting, and Mrs. Elizabeth Rhea gave a report that there are now several scholarships available for Cottey College to Illinois students.

A report was given that the "National Loan Fund" of the P.O.E. Sisterhood has assisted 13 students for the amount of \$13,500.

Plans were completed for the group to participate in the Founders day program of Metro-East Roundtable on Jan. 30 at the Signal Hill Methodist Church.

The next meeting will be Jan. 22 in the home of Mrs. Charlotte Lierman, 2496 Waterman avenue.

25th Wedding Anniversary

Mr. and Mrs. Ralph Asbeck, 2201 Edna street, were honored on their 25th wedding anniversary Wednesday evening with a surprise dinner given by Mr. and Mrs. Richard Jones in their home, 2817 National avenue. They are a brother and sister-in-law of Mrs. Asbeck.

A decorated cake served as the centerpiece. The honoree's will be entertained again on Sunday with a dinner in the home of Mrs. Asbeck's mother in St. Louis.

Their son, Sp/4 Robert Asbeck, has just returned from Seoul, Korea, after serving 13 months overseas. He will be at home until Feb. 3.

Their other son, Marine Sgt. Ronald Asbeck, is serving with the U.S.S. Ranger and was unable to attend. His wife, Donna, is residing with her parents, Mr. and Mrs. James Milton, 2725 Iowa street.

A third son, Dennis Asbeck, 14, resides at home, attended the dinner.

Chemoprophylaxis Leaflet Available at TB Office

Two new leaflets about chemoprophylaxis are available from the Madison County Tuberculosis Association office in Wood River.

Physicians will find them invaluable in helping to interpret the need for isoniazid prophylaxis. Nurses, who often have the responsibility for checking on and supervising individuals and families on chemoprophylaxis programs, also will find the leaflets useful.

Letter Carriers Install Officers

Branch 1132, National Association of Letter Carriers, met Tuesday night at the post office in Granite City for an installation ceremony of officers, conducted by the retiring president, Charles W. Parker.

The new officer staff, Edw. Heint, president; Elwood Cuppet, vice-president; Ron A. Id Rosh, recording secretary, and James Papp, financial secretary, will attend a leadership training school in Springfield next week.

Following Tuesday's meeting, Herbert A. Backs, superintendent of mails, conducted a school on federal employees compensation. Backs started with the Granite City post office in 1945 and is considered to be one of the foremost postal officials in the Chicago Region.

9th District Hospital Meeting Held Locally

The 22 member hospitals of the Ninth District Illinois Hospital Association met Tuesday at St. Elizabeth Hospital here under the direction of the president, Sister Mary Thomas, administrator of the local hospital.

Daniel MacDonald of the Metropolitan St. Louis Hospital Planning Commission was the featured speaker and led a discussion of recently passed legislation calling for comprehensive community health planning.

The law, he said, is an attempt to bring all local health planning together under one area authority, thereby causing more complete health services and facilities without duplication.

In his discussion MacDonald brought out that one of the next steps was the selection of the planning authority for this area. The organization which MacDonald represents is in the process of offering its services.

The hospital group took MacDonald's recommendation under advisement.

Mrs. Vasila Markuly, 87, Dies at Home

Mrs. Vasila Markuly, 87, of 913 Madison avenue, mother of Alex Markuly, of Marbury Studio, Peter Markuly of Markuly Plumbing & Heating Co., Madison, and Pondo Markuly, local plumber, died of a cerebral hemorrhage at home at 2:22 p.m. Tuesday.

Mrs. Markuly was a native of Macedonia (Greece) and lived in Madison 47 years. She was a member of St. Trinity Eastern Orthodox Bulgarian Church and of the church's Ladies' Sisterhood. Her husband, George, died in 1906.

Other survivors include a daughter, Mrs. Austin (Helen) Holder of Collinsville; two sisters, Mrs. Helen Belchoff of Toronto, Canada, and Mrs. Alexandra Ouzimis of Athens, Greece; seven grandchildren and one great-grandchild.

Funeral arrangements are given in today's obituary column.

Collide in Madison

Cars driven by Ann Norton, 1629 Fifth street, Madison, and Paul Batson, 2819 Roosevelt street, were damaged at 5:30 a.m. today in a collision at Third street and Madison avenue, Madison. Police reported both cars were damaged at the left front. The Norton car was headed west on Third street and making a left turn and Batson was driving east when the mishap occurred.

Report Jan. 16 On S. Vietnam

Reservations continue to be accepted at the Tri-Cities Chamber of Commerce office for a world affairs dinner at 6:30 p.m. next Tuesday, Jan. 16, at Sunset Hill Holiday Inn.

A larger than usual gathering is anticipated due to widespread interest in this area in the Vietnam war. The speaker, Dr. Harold Lee DeWeese, served as Southern Illinois University's chief-of-party in South Vietnam from 1963 to 1967.

Now a member of the SIU faculty at Carbondale, Dr. DeWeese was in charge of the university's mission to upgrade the education of Vietnamese elementary school teachers. He was awarded the Order of Merit, Vietnam's highest civilian decoration.

Arrested for Speeding

Venice police arrested John Logan, 104 Abbott street, Venice, on a speeding charge at 7 p.m. Tuesday. Logan posted his driver's license pending hearing Jan. 24.

Granite City will Host County Band Contest

Granite City will host the annual Grade School Band Contest on Saturday, March 9, at the local high school, members of the Granite City High School Band Parents Association learned at their meeting Tuesday evening.

Pupils from schools within Madison county compete in the event for ribbons and other awards, Louise Meek, GCIS band director, told the parents.

Plans were tentatively made by the parents group to serve the contestants sandwiches and beverages and also sponsor booths in connection with the all-day affair.

Arrangements were completed for a party, honoring members of the Granite City high school band, on Saturday, Feb. 3, at the school. Mrs. Mabel Gertsch, chairman of the ways and means committee, was appointed to head the hospitality group by Earl McMillan, association president, who conducted the monthly session. Thirty attended.

Progress is Slow in Negotiations at Depot

Slow progress is being reported in negotiations between the Granite City Army Depot and Local 149A, International Union of Operating Engineers, it was reported on Tuesday.

The negotiations began Oct. 31, and the last session was held Monday. Among the items being discussed are hours of work, break periods, promotion plans, overtime, safety and advisory arbitration.

The union represents about 800 employees at the Depot.

Don't let cross-traffic cross you up, motorists.

Nameoki-Jill Accident

An auto driven by Terry D. Martin of Hamel struck the right rear of another driven by Theresa M. Harding of 41 Shirlwin drive, at 4:30 p.m. Tuesday on Nameoki road at Jill avenue.

Youngsters Arrested

Youngsters who were reported breaking into machines at the Wash Bucket laundromat, 2006 Nameoki road, at 12:15 p.m. Tuesday were taken into custody by police and referred to juvenile authorities.

Farm Column

By Warren W. Bundy
Madison County Farm
Adviser

By WARREN W. BUNDY
Extension Adviser

Local educational meetings on a variety of topics are planned as listed below. Many of these programs will be of interest to non-farm as well as farm people.

University of Illinois Cooperative Extension Service meetings are planned with the main objective of providing valuable and useful information to people. All these meetings are open to the public; however, some programs are for special interest audiences.

A "Farm and Family Business Management" course will be conducted on Jan. 16, 23 and 30 from 10 a.m. to 3 p.m. each day in the Farm Bureau building auditorium in Edwardsville.

Topics will be of interest to both husband and wife.

First day: One hour on "What's New in Household Ap-

pliances" and three hours on "Farm Income Tax" Second day: "Home Account Books Summary," "Cash Rent," "Leasing Principles," and "Revised Interpretation of Soil Tests."

Third day: "Farm Credit," "Current Topics in Agriculture," and "Costs of Owning vs. Leasing Farm Machinery." Instructors will be University of Illinois Area Adviser Emil Mosser and Madison County Extension Advisers Mrs. Catherine Mauck and Warren Bundy.

"Consumer Credit" — almost all of us use it, but do you understand it and how much you are really paying? Area Adviser Emil Mosser will discuss the use of credit, reasons for and against credit, understanding the contract, ways of stating interest, figuring costs of credit, kinds of credit and your credit rating. This meeting is set for Tuesday, Jan. 23 at 7:30 p.m. in the Farm Bureau auditorium, Edwardsville.

"County Agronomy Day" with U. of I. Agronomist Pat Johnson as speaker is planned for Monday, Jan. 29 at 10 a.m. in

the Farm Bureau auditorium, Edwardsville. Annual meeting of the Madison county Soil and Water Conservation District is planned along with the program that day. Johnson will show slide pictures and discuss weed control and soil fertility.

A "Small Package Dealers Clinic" for businessmen who sell lawn and garden supplies will be held Thursday, Feb. 1, from 7 p.m. to 10 p.m. in the Farm Bureau auditorium, Edwardsville. U. of I. horticulturists, entomologists and plant pathologists will provide information to the dealers about the many products they sell to homeowners.

Plans are being completed for the annual meeting of the Madison county Dairy Herd Improvement Association on Jan. 25 with Dairy Specialist Gary Harpestad as speaker.

The latest information on swine and beef production and management will be given by U. of I. Specialists at the area beef clinic on Tuesday, Jan. 16 and the area swine seminar on Wednesday, Jan. 31. Both meetings will be held in the Nation-

al Stockyards Arena, East St. Louis, starting at 9:30 a.m. each day.

Plans are being made by the Madison county Livestock Shippers Committee, Harold Heepke, Edwardsville, chairman, for a dinner meeting with county livestock producers on Tuesday, Jan. 30. That group will give further consideration to the question, "What is the best livestock marketing system for farmers?" E. M. Woods, livestock market consultant for National Stockyards, will lead the discussion. More details of the meeting will be announced later.

Vegetables Growers School

A two-day school for vegetable growers in Madison, St. Clair and Monroe counties will be Jan. 17-18 a.m. each day in the vegetable growers hall near Caseyville. Many topics of interest to vegetable growers will be discussed by University of Illinois specialists and others.

A two-day short course for Edwardsville area land improvement contractors is set for Jan. 30-31 in the Montgomery county Farm Bureau building, Carlinville at 9 a.m. each

day. Contractors may contact the Madison county Soil and Water Conservation District or the county extension office for program details.

State meetings planned include the 20th Custom Spray Operators' Training School Jan. 24-25 in the Illini Union, Urbana, 8:15 a.m.; and the Agricultural Industries Forum Jan. 31-Feb. 1 in the Illini Union, Urbana.

Mrs. Margaret Irwin, 74, Dies at Hospital

Mrs. Margaret E. Irwin, 74, of 708 Twenty-eighth street, died following an extended illness of 8 1/2 months at 8:30 p.m. Tuesday at St. Elizabeth Hospital. She had been a patient ten weeks.

Born in Carrier Mills, Ill., Mrs. Irwin had resided in West Frankfort prior to moving to Granite City 41 years ago. Her

husband, Fred Irwin, died in 1933. She was a member of Bethesda Baptist Church.

Surviving are two sons, Chester and Timothy Irwin, both of Granite City; one daughter, Mrs. Victor (Juanita) Krutz of Sugar Land, Ohio; two brothers, Edward and William Locklar, both of Harrisburg, Ill.; one sister, Mrs. Lucy Hill of Pontiac, Mich.; and eight grandchildren.

Funeral arrangements are given in today's obituary column.

Officers Re-elected

GC Trust & Savings Bank Reports Record-Setting Year

"The year 1967 was the best operating year in the history of Granite City Trust and Savings Bank," Ernest A. Karandjeff, president and chief executive officer for the bank, announced at the annual stockholders meeting held yesterday.

Karandjeff further stated, "We look forward to 1968 with great eagerness. Our plan for the bank include a number of very important changes—changes which will not only help us manage the bank with increased efficiency, but will also be quite beneficial to the whole community."

Karandjeff outlined the new credit card system to be installed at the bank. In cooperation with Credit Systems, Inc., of St. Louis, Trust bank customers will be able to charge merchandise and services at participating business places. "The credit card system will provide a new dimension in credit service to the Quad-City area," Karandjeff stated.

Another innovation will be the automation of the bookkeeping operations. Commenting on the installation Karandjeff said, "Although we have used automatic bookkeeping machines for a number of years, the new set-up will provide us with total automation in the bookkeeping area. The move to automation has been anticipated for quite some time. And it's a necessary move in order to effectively handle the constantly increasing volume of business going through the bank. Likewise, the new equipment will help us to explore new avenues of service to our customers."

Directors Re-Elected
The directors re-elected at the annual meeting were: Roy C. Barney, Dr. W. W. Bowers, William Brockus, Homer Huber, Ernest A. Karandjeff, Henry

THOMAS KILLOREN
Assistant Cashier

Karandjeff, John McBride and Milford D. Walston.

A new bank officer elected assistant cashier was Thomas J. Killoren, who resides with his wife and four children in Vinita Park. Killoren attended the University of Miami and the American Institute of Banking. He is active in civic, business and church organizations and is a member of the Knights of Columbus.

Other officers re-elected were Henry D. Karandjeff, chairman of the board; Ernest A. Karandjeff, president and chief executive officer; Allen Jesse, executive vice-president; Elmer A. Hurry, cashier; Barry Loman, vice-president; John J. Polson, vice-president; Anthony J. Zedolek, assistant vice-president; William C. Evans, Paul W. Niles, Elmer Rittenhouse and Richard A. Dawdy Jr., assistant cashiers; and Robert J. Hildebrand, assistant trust officer.

Called to Auto Fires

Venice firemen were called at 5:15 a.m. today to Lee Wright Homes where fire caused damage to an auto owned by Jesse Jones of St. Louis. Firemen also were called at 5:10 p.m. Tuesday to the 1200 block of Oregon street where a carburetor backfire caused slight damage to a car owned by Thelma King of 2411 Bryan avenue.

Planned Session Tonight

State PTA President to Speak at Council Dinner

Mrs. Walter G. Kimmel of Rock Island, president of the Illinois Congress of Parents and Teachers, will be the featured speaker at the annual "Appreciation Awards Banquet" to be sponsored Tuesday, Feb. 6, by the Granite City Area Parent-Teacher Council.

Plans for the event will be discussed this evening at a 7:30 meeting of the council's executive board in the library at Coolidge Junior high school, Mrs. Pat Polley, president, said today.

Mrs. Polley also urged individual PTA units to submit their candidates as quickly as possible for the council's "Outstanding PTA Award."

The names of nominees and their resumes must be received by Lee Reid, Frohardt school principal and chairman of the nominations committee, prior to Friday, Jan. 26, the council president said.

Selection for the award is based on outstanding contributions to education, or PTA activities.

Tickets for the Feb. 6 annual smorgasbord dinner, to be held in the cafeteria at Granite City high school, may be obtained from PTA unit presidents or school principals, Mrs. Polley said.

Also to be finalized at tonight's session are arrangements for the area council's general meeting, set for Thursday, Jan. 25, at Niedringhaus school.

Principal speakers will be Dr. Benjamin T. Rose, a local optometrist, and Miss Myra Blades, a coordinator and instructor in the Granite City school system's Title I special education program. The two guests will present a comprehensive report on the problems of "Vision and Remedial Reading."

All council board members are requested to attend this evening's executive meeting, Mrs. Polley said.

Michael Loyet, 101, Dies at Highland

Michael Loyet, 101 years, of Troy, Ill., a life-long resident of Madison county, died at St. Joseph's Hospital in Highland on Jan. 10, Tuesday. Among his several hundred descendants is a son, Oscar Joseph Loyet, of Granite City.

Mr. Loyet was born near Troy, in Jarvis township on Sept. 27, 1866. He had operated farms in the same area for young manhood until retiring some years ago. He was a member of St. Jerome's Catholic Church of Troy. His wife, Mrs. Barbara (Arb) Loyet, died on Jan. 30, 1964, and a son, Paul, preceded him in death the same year.

Since March of last year, Mr. Loyet had resided at the Nolen's Shelter Care Home at St. Jacobs, Ill. He had been a patient at the Highland hospital only three days.

Beside his son, Oscar, also surviving are three other sons, Robert and Raymond Loyet, both of Troy, and Jerome Loyet, of O'Fallon, Ill.; two daughters, Mrs. Frank (Fannie) River of Belleville and Mrs. John (Rose) Siegel of Troy; 40 grandchildren, 139 great-grandchildren and many great-great-grandchildren.

Funeral services for Mr. Loyet were held today at St. Jerome's Church, with burial at St. John's Church, (North) Siegel of Troy; 40 grandchildren, 139 great-grandchildren and many great-great-grandchildren.

No New Tax Guide for Employers This Year

Because there have been no changes in the federal income tax and social security withholding rates for 1968, employers should continue to use their present copy of Circular E, "Employer's Tax Guide," Jay G. Philpott, district director of Internal Revenue, advised today.

He stressed that employers should not be expecting a new issuance of Circular E, also referred to as Publication No. 15, but should use their current edition for withholding information and tables.

Employers can make certain they have the latest edition of the "Employer's Tax Guide" by checking that the front cover bears the notation, Publication No. 15 (Rev. Jan. 1967).

While there has been no increase in the social security rate for 1968, Philpott pointed out that the maximum annual income subject to social security has been increased from \$6,000 to \$7,800 for both employees and the self-employed, effective Jan. 1, 1968.

The social security employee tax tables in the current Circular E can be used to accommodate this increase, Philpott said.

Miss Comfort, 76, Former Resident, Dies

Miss Elizabeth Comfort, 76, formerly of Granite City, died at 6:45 p.m. Tuesday at St. Joseph's Hospital, Alton, where she had been a patient since Christmas Eve. She had resided at the Loretta Home for the Aged at Alton for the past 10 years and formerly was a housekeeper for St. Patrick's Church, Alton.

Miss Comfort, who was born in Shipman, Ill., belonged to St. Joseph's Catholic Church when she lived here.

Her survivors include a sister, Mrs. William (Florence) Graf of Rigley Park, Philadelphia, Pa., and several nieces and nephews.

Funeral arrangements are given in today's obituary column.

Sewing Groups Meet Jointly To Make Cancer Dressings

Thirty-two women who are members of sewing groups making dressings for cancer patients in this area attended the first combined meeting on Tuesday at the First United Presbyterian Church, 22nd street and Delmar avenue.

The meeting was held to give recognition to the volunteers in

the community for a needed and worthwhile job they accomplish.

These women represented the Church Group United, First United Presbyterian Church, Namooki Presbyterian Church, Namooki Methodist Church, Central Christian Church and St. Peter United Church of Christ.

Mrs. Ruth Wilderman, area executive director of the American Cancer Society, said that more cell-cotton has been sent to Granite City than in any other part of Madison county since May, as there are seven patients locally needing the dressings. The scene may change as the need of patients subside, but at the present time the volunteers are working extra hard to supply the needed dressings. Most of the sewing groups meet at least once a month for an all day session.

All the work is done on a volunteer basis and the women supply sheets for the outside covering of the bandages, they sew, cut, wrap and deliver the dressings as they are completed.

Another phase of the volunteer work is transportation, which Mrs. Beryl Nyboer serves as chairman. This group provides transportation to patients from this area to St. Louis or other treatment centers that the patients may need to attend.

Mrs. Mildred Meek is the sewing group leader. Mrs. Ann Pieper, service chairman of the Tri-City Area Cancer Society, Mrs. Harriet Horn, service chairman, Madison County Unit of American Cancer Society.

AMERICAN CANCER SOCIETY officers and chairmen who attended the all-day project of cutting cancer dressings here Tuesday. They are, left to right—Mrs. Mildred Meek, sewing group leader; Mrs. Ruth Wilderman, area executive director of American Cancer Society; Mrs. Des Roberts, president of the UPW of First Presbyterian Church; Mrs. Harriet Horn, service chairman, Madison County Unit of American Cancer Society; Mrs. Beryl Nyboer, transportation chairman of Madison County Unit.

Venice Church WSCS Meets

A meeting of the Women's Society of Christian Service of Venice Methodist Church was held Wednesday evening in the home of Mrs. Magdalena Smith.

Mrs. Smith, president, opened the meeting and read from the program book on "A Modern Bridge between Judaism and Christianity."

At the close of the meeting, refreshments were served by Mrs. Smith and Miss Helen Korb to six members.

MRS. LUPARDUS TO MEET HUSBAND IN HAWAII

A happy reunion in Hawaii is being planned for late next month by Mrs. Donald G. Lupardus, who will join her Air Force sergeant husband in Honolulu during his R & R furlough from Vietnam.

Sgt. Lupardus is the son of Mr. and Mrs. Homer B. Lupardus, 4276 Highway 162, with whom his wife is residing during the serviceman's tour of duty overseas. He arrived in Vietnam on Aug. 5 and currently is stationed at Cam Ranh Bay.

Fifth District Meeting Here

The Amvets Auxiliary Post 31 held a regular monthly meeting Wednesday evening with Mrs. Agnes Konkovich, president, conducting the business session. Eight members attended.

Mrs. Konkovich announced the local unit will host the Fifth District meeting on Sunday, Jan. 14, at 2 p.m. at the Post Home, 5100 Lakeview drive.

Plans were also completed for a family day on Jan. 27 which will begin at 5 p.m.

Study of Japan By WSCS Tues.

The Women's Society of Christian Service of Niedringhaus Methodist Church held the initial meeting of 1968 Tuesday evening at the church with the lesson on "Japanese Youth" presented by Loyalty Circle.

Mrs. Marie Humphill, leader, was in charge and Mrs. Dean Blackburn gave the scriptures.

To close the program, a movie was shown on "Japan-Land and The People."

Mrs. Harold Briggs, president, presided at the business meeting, and dates of interest announced were Jan. 14, 21 and 28 the School of Missions; and Jan. 23, an executive committee meeting.

Refreshments were served by Patience Circle to 37 members present. Decorations for the tables were carried out in a Japanese theme.

2 Local ISU Students To Perform in Choir

Illinois State University's Treble Choir will present a concert at 8:15 p.m. Tuesday, Jan. 16, in Capen Auditorium on the ISU campus, Normal.

The program will be open to the public free of charge.

The 48-voice choir under the direction of Donald J. Armstrong, assistant professor of music, will perform a program consisting primarily of compositions by David Diamond and Daniel Pinkham, contemporary American composers.

Featured with the choir in three numbers will be soloist Miss Joann K. Goetzinger of the ISU music staff, and an orchestra composed of faculty members.

Special guests attending the concert from the University of Texas at Austin will be Dr. Morris J. Beachy, director of choral organizations, and Andor Toth, conductor of the university's symphony orchestra. Mr. Armstrong took his Master of Music degree at the Texas university.

Local ISU students who will participate in the choral program are:

Gail Hamilos, 2651 Lincoln avenue, daughter of Mr. and Mrs. William Hamilos, sophomore, and Linda Treadwell, 2509 Iowa, daughter of Mr. and Mrs. Burl Treadwell, junior.

Trainers Meet, Plan Exhibition at Dunbar

Dr. Leo M. Coleman, co-chairman of training in the Uniwah (Quad-City) Boy Scout district, hosted an annual banquet for training committee members and their husbands and wives Tuesday evening at the Grand Cafe annex.

Plans were made by the committee for a second annual Lincoln's birthday scouting program and exhibition at 3 p.m. Feb. 11 at Dunbar school in Madison.

Training Chairman Charles Rodell presided and brief talks were given by Dr. Coleman, Uniwah District Chairman William F. Winter, District Commissioner Edward Stone, Cahokia Mound Council Executive Eugene Coe and District Executive Edwin Menke.

Principal talk was given by Capt. Gerald J. Hrstar, a scouting "wood badge" trainer who is stationed at Scott Air Force Base and is active in the scout unit organizing program in that area. Assigned to the Air Force Communications Service, he is leaving next week on a world inspection tour.

Capt. Hrstar recalled participating in the world jamboree in Idaho last year as assistant scoutmaster of the headquarters troop and stressed the need for instilling character and responsibility in youths rather than assuming they can acquire it automatically. His overall theme was that "evil triumphs when good people do nothing."

Minnesota Businessman To Speak at NFO Meet

The National Farmers Organization will hold a meeting at 7:30 p.m. Monday in the exposition building in Lindendale park, Highland.

Guest speaker will be Arnold Paulson, a Granite Falls, Minn., business man. His topic will be the "Importance of Agriculture in the American Economy."

Paulson is president of the Granite Falls Chamber of Commerce, former state president of the Minnesota Junior Chamber of Commerce and is active in national C. of C. affairs.

Inquest Still Pending

In Death of Youth, 18

An inquest into the death of Kenneth K. Kester, 18, who was found frozen to death near Sand Prairie Lane in Madison county Sunday morning has not yet been scheduled, Corner Leonard Davis said today.

The victim, son of Mr. and Mrs. Raymond E. Kester of 1701 Sycamore avenue, was found about 20 yards from his car. The car was out of gas, according to a report by sheriff's deputies who also said they found a length of vacuum cleaner hose in the rear seat of the car.

Forgetting the past is alright, but don't forget the future.

Expectant parents from the Quad-City area are invited to participate in a series of prenatal classes, scheduled to begin at 7:30 p.m. Tuesday, Feb. 6, in St. Elizabeth Hospital library, according to Sister Mary Thomas.

In announcing the free, prenatal series, the hospital administrator pointed out that programs to be presented during the five weekly sessions are appropriate and instructive for both husbands and wives. All classes will be conducted on Tuesday evenings, starting at 7:30 p.m., she added.

Dates and topics to be given, include:

Feb. 6—"Before Baby Comes"; Feb. 13—"Your Way of Living During Pregnancy"; Feb. 20—"Labor and Delivery"; Feb. 27—"Care of Your Baby"; and March 5—Discussion period and tour of St. Elizabeth maternity department.

Movies and other visual aids will be utilized extensively throughout the course, Sister Mary Thomas said, with instruction to be provided by members of the St. Elizabeth Hospital nursing staff and education department.

Additional information may be obtained by calling 876-2020, extension 314.

Carl D. Hart, CPA, Gets Post with ATA

Carl D. Hart, son of Mr. and Mrs. Carl H. Hart, 2141 Delmar avenue, has been appointed director of special financial projects for the finance and accounting conference of the Air Transport Association of America.

Hart joined ATA from Piedmont Aviation, Inc., where he was administrative assistant to the controller and secretary. Hart has a degree from Wake Forest College and is a Certified Public Accountant. He makes his home in McLean, Va.

The ATA is a service organization representing most of the scheduled airlines of the U.S. It was organized in 1906 to serve the public and the government on behalf of its member airlines from improvement of safety to planning for the airlines' role in national defense.

Campus Sculptor's Art Displayed in St. Louis

When sculptor Larry Marcell, a member of the Southern Illinois University-Southwestern campus art faculty, received his master's degree from the State University of Iowa in 1961, he didn't go into teaching, as one might expect. He opened a studio in Mentor, O., and freelanced.

Tempted in 1963 by an offer from SIU-SW, Marcell agreed to take a fling at teaching. Four and a half years later he is not only still teaching here but finding time as well to give creative expression to his artistic interests.

One of his most recent creations is "La Strada," a bronze casting of a woman on a man's shoulders which is permanently displayed in the south promenade of the \$52 million Mansion House complex in St. Louis.

The original "La Strada" was only 14 inches high but Marcell made the one commissioned for the Mansion House 7 feet, 3 inches tall. Two figures mounted on two rings, "La Strada," meaning the "road," was inspired by the 1957-Oscar-winning film written and directed by Federico Fellini having to do with innocence versus sin.

Cubs Blue and Gold Banquet is Planned

The Cub Scout Pack 4 regular committee meeting was held Tuesday evening at the home of Cubmaster Jim Reynolds, 2212 Missouri avenue, and plans were discussed for the annual Blue and Gold banquet which will be held on Feb. 22.

Reynolds announced a pinewood derby will be held April 23.

Those present were Harold Fricke, Joyce Fricke, Nona Harris, Woody Cavins, Joan Steffans, Roy Keefe, Betty Keefe, Mary Moutria and John Moutria.

The next committee meeting will be held in the Reynolds home on Feb. 27 at 7 p.m.

Boy Scout Troop 4 will be reorganized and will be sponsored by Dewey Avenue Methodist Church. Bob DeLoria will serve as the Scoutmaster.

Any boy 11 years old wishing to join may call Jim Reynolds, 492-5308, for more information.

Lux Boys to be First Triplets in DeMolays

"Uncle Jimmy" took over the leadership in 1932 and served until his untimely passing on Oct. 3, 1965. His Masonic memberships included Granite City Lodge 877 A.F.A.M., Granite City Chapter 221 R.A.M.; East St. Louis Commandery No. 81; Scottish Rite Bodies, Valley of East St. Louis, Almad Temple A.A.O.N.S. of East St. Louis and the Tri-City Shrine Club.

Included in this class which will be the largest initiated in the Lux triplets, Geoffrey, Gregory and Timothy.

The Supreme Council has informed the local Chapter to their knowledge this is a first for DeMolay — to initiate triplets. The local DeMolays feel this is a most appropriate honor for "Uncle Jimmy," who gave so much of his adult life to DeMolay.

The Granite City Chapter is the first chapter in the state of Illinois and the 98th in the world, receiving the Letters Temporary May 24, 1921, instituted July 5, 1921, and chartered Aug. 15, 1921.

The Tri-Hi-Y Youth and Government girls from the YMCA will sponsor a fund-raising dance to help send them to the Youth and government legislature in Springfield in late April.

The dance will be held on Friday from 8 to 11 p.m. in the YMCA auditorium.

"The Sociables" will be providing the music for the evening, and the admission will be 75 cents for everyone. Teen

He was recipient of many DeMolay honors among which were the Degree of Chevalier and the Legion of Honor.

The Chapter members and the Advisory Council have extended an invitation to the chapters of the Southern Jurisdiction to bring candidates to receive the Initiatory Degree along with the candidates from the Granite City Chapter.

Town memberships and ID's will not be accepted for this dance.

An opera on the life of John Peter Algeid, Illinois governor from 1892-96, is being written for the state's Sesqui-centennial by Southern Illinois University composer Will Gay Bottje.

New Pay Scale For Student Workers at SIU

A new pay scale for Southern Illinois University student workers calling for a \$1.15 an hour minimum wage-up from a dollar—and a ten-cent hike across the board is expected to go into effect with February payrolls.

Frank Adams, director of student work and financial assistance, said the student wage increase was approved at a meeting of SIU vice-presidents at which recommendations of an advisory committee on student work and financial assistance were approved.

Adams said plans call for putting the pay hike in effect with the Feb. 18 payroll. He estimated the increases will cost between \$120,000 and \$130,000 for the remainder of the school year.

The maximum pay for undergraduate students in supervisory classifications has risen from \$1.75 to \$1.85. For graduate students the maximum is \$2.50 an hour.

Affected are approximately 5000 students, mostly undergraduates, who work part-time to help pay their college expenses.

Adams said that during the past decade pay increases have been approved about every two years, reflecting increased costs of attending school. SIU's student pay increases, he said, are very similar to those allowed in other midwestern colleges and universities.

Returns to College

Terry G. McGovern, son of Mr. and Mrs. Gene R. McGovern, 2500 Edison avenue, returned Monday to the DeVry Institute of Technology in Chicago after spending a two-week holiday at home. He is in his first year at the school.

EXPERIMENTAL TEACHER education program being conducted at the Southern Illinois University-Southwestern campus includes fellowship holders Sara Sowell (left), 2218 Manley avenue, director of the gifted program for Granite City schools; Wanda Penny, special teacher of art in St. Louis, and Troy Cole, counselor at Quincy high school.

Model Teacher Program Being Tested at SIU-SW

Can individual instruction and new teaching methods effectively replace traditional education in the public schools? Southern Illinois University-Southwestern is trying to find out through a New Experimental Teacher Education Program, the only one of its kind in the country.

Supported by the U. S. Office of Education, NEXTEP has attracted 25 fellowship holders from California to New York, including Mrs. Sara Sowell of the Granite City school system. The program, which began last September and ends Aug. 24, starts from the assumption that traditional ways of teaching have not been altogether effective and that educators must explore new ways of instruction.

"Not all teachers can be expert in all phases of teaching," says Merrill Harmin, director of the program, "but each should know his strengths and be ready and able to cooperate with others so as to use their strengths. NEXTEP is trying to accomplish this among the fellows."

"NEXTEP envisions a teacher-education program which would permit students to select methods and activities according to their interests. They are free to mix experiences or find them outside the program. The only test is whether each student can demonstrate teaching behavior that is deemed likely to be effective with children. The fellows are involved in creating this model teacher-education program," Harmin says.

Students at SIU-SW Campus

Miss Pashoff, Wizeman Named to '68 'Who's Who'

Two area students attending the Southern Illinois University-Southwestern campus were among 14 selected to appear in the 1968 edition of "Who's Who Among Students in American Colleges and Universities." They are Christine Pashoff, daughter of Mr. and Mrs. Christ Pashoff, 1230 Madison avenue, and Edward Wizeman, 2553 Stratford lane, son of Mr. and Mrs. Richard H. Wizeman of St. Louis.

Nominations for the national publication, representing 800 colleges and universities, are based on scholarship, participation and leadership in academic and extracurricular activities, citizenship, service and promise of future usefulness to society. University activities which helped them in the "Who's Who" selection include: Miss Pashoff, chairman, special events committee, Program council; 1967 Homecoming chairman; orientation committee; vice president and pledge mistress, Kappa Alpha Mu; Marketing club; Psychology club; secretary, Commerce club; Outstanding Service Award in New Student Week; Outstanding Service Award in student activities.

Wizeman, state president, Phi Beta Lambda; chairman, current events committee; co-chairman, organizations representatives committee; business students representatives committee; Marketing club; Sphinx club; and Outstanding Student Award.

Question:

What can you get 19,000 copies of for \$1.00?

Answer:

A 14-word Press-Record Want Ad

"WHO'S WHO in American Colleges and Universities," 1968 edition, include Christine Pashoff of Madison and Edward Wizeman of Granite City, students at the Southern Illinois University-Southwestern campus.

Rep. Ralph T. Smith Law Course Speaker

State Rep. Ralph T. Smith (R) Alton, will be among featured speakers at a two-day course on key state and national case decisions and legislation affecting the practice of law in Illinois, it was announced Tuesday. The course will be conducted tomorrow and Saturday at Northwestern University's Thorne Hall at Chicago.

Entitled "Significant Developments in Substantive Law During 1967," the two-day course is designed to save lawyers hours of research which would be required to attain an up-to-the-minute command of 1967 developments at both state and national levels.

Most major areas of the law will be covered as indicated by the Illinois State Bar Association sections which have cooperated with the Institute on Continuing Education of the Illinois Bar in planning the course.

Rep. Smith is Speaker of the Illinois House and a practicing attorney at Alton. W. Russell Arrington, Chicago, president pro tem of the Illinois Senate, also is a scheduled speaker.

Roca Club Installs Two, Honors Member

Mike Loftus was installed as treasurer and Rick Cardwell as secretary of the Roca Young Men's Club at a meeting Sunday evening at Tony's Pasta House. Rich Diak received the outstanding member award.

Guest speaker was Sharon Reinhardt, Peace Corps worker who recently returned from the Philippines.

Ruth Diak, new spring sweetheart, was hostess and gave the opening address. Dave Anderson, outgoing president, offered remarks.

The club will operate without a president in the future, and different members will preside at coming meetings.

\$500 Award Offered For Education Essay

A \$500 award is being offered by the Southern Illinois University Foundation for the best essay on the value of education by an undergraduate student at the SIU-SW campus.

Any person registered as a full or part-time undergraduate student after June 15, 1967, may enter the competition. Essays are to describe the value and significance of education for the individual and will be judged for effectiveness in encouraging the pursuit of education and stimulation to achieve educational goals.

Entries must be received by April 15. All essays submitted become the property of the Southern Illinois University Foundation which retains full rights to edit or publish any entry. Judges will be selected by the foundation.

The award will be made at SIU's Honors Day Convocation May 15. The winning essay will also be published in the spring quarter issue of the *Sou'Wester* magazine.

Complete contest rules are available from the SIU-SW Foundation office.

Mexican Ambassador To Speak at Monmouth

His Excellency Hugo B. Margain, Mexican ambassador to the United States, will be the keynote speaker at the fifth biennial Liberal Arts Festival at Monmouth College April 2-4. The theme is "Mexico: Fusion of Indian and Spanish Cultures."

Ambassador Margain will be on campus all three days. In addition to delivering the keynote address on the evening of April 2, he will participate in small group discussions and seminars with undergraduates and faculty members.

The festival will consider the impact of the two cultures on the arts, economy, government and economics of Mexico. Chairman of the Liberal Arts Festival Committee is Dr. R. D. Baevel, professor and chairman of the MC Mathematics Department.

Old Area Maps Given To Library at SIU-SW

An 1837 map of St. Louis, charted by a rather obscure Army lieutenant of that time named Robert E. Lee, is among more than 100 graphic compositions recently donated to Southern Illinois University-Southwestern's map library.

The 24x34-foot document was presented to the university by the St. Louis District Corps of Engineers, whose first commander was Lee, who eventually became commander in chief of the Southern forces during the Civil War.

Charles Schweizer, former commander of the same district and presently assistant director of the SIU Foundation, negotiated for a photographic copy of the rare map. He said Lee, who had been sent to St. Louis to form a deeper channel for steamboat approaches on the west side of the Mississippi, had the map charted to show St. Louis' relationship to the river.

According to history, the energetic Lee spent two years on the St. Louis riverfront project and later cut a channel through rock formations near Rock Island, Ill.

These facts and others came to light from the bevy of maps Robert Koepke, assistant professor of earth sciences and map curator, is sorting through. A copy of an old map of St. Clair county charted about 1890 shows a diminutive-sized East St. Louis, plank roads (arteries paved with boards) and several towns that have long since disappeared. It and another 1920 map of East St. Louis were donated by David Johnston & Associates, civil engineers, office manager of the East St. Louis firm, John Steiner, made the presentations to Koepke.

Other key acquisitions include an old atlas of the Mississippi river given by Robert E. Meyer of Alton.

Dr. Robert Allen was inaugurated as first president of Southern Illinois University at the dedication of the first building on July 4, 1874.

Sen. Percy Urges Entry In State Essay Contest

Sen. Charles Percy today encouraged Illinois students to enter the Sequelcentennial essay contest sponsored by Children's Press, Inc.

The contest, offering more than \$200 in prize money, is being conducted in commemoration of the state's 150th anniversary and in conjunction with the publication of a new state history book, "Illinois, Land of Lincoln."

The senator said, "I personally encourage every 7th through 12th grade boy and girl in Illinois to learn as much as possible about our state and the operation of its government branches."

"The 'If I Were Governor of Illinois' essay contest offers you the ideal opportunity to learn about Illinois and at the same time to compete for some fine prizes."

"The top award of \$1000 would be a wonderful start toward your college education—something for which every young American should strive. Enter this state-wide competition as soon as you can. You'll certainly be smarter—and possibly richer!"

McKinley Bridge Income Last Year Totaled \$1,533,428

Question:

What can you get
19,000 copies of
for \$1.00?

Answer:

A 14-word Press-Record
Want Ad

McKinley bridge, owned by the city of Venice, had income of \$1,533,428 during the 1966-67 fiscal year ending last Sept. 30, but expenses which included bond interest and principal commitments left a net income of \$227,834, according to an audit presented to the city.

The audit was presented at a time the city is becoming a constantly deteriorating financial picture of the McKinley bridge administration. It showed administration and operation costs of only \$322,199, but

bond interest cost of \$737,381 and replacement and reserve fund expenditures of \$174,141. Administration and operation expenses included toll collectors salaries amounting to \$64,420 and office salaries of \$26,988, in addition to attorney fees of \$27,834, according to an audit presented to the city.

Revenue included \$1,282,515 from traffic fares, \$250,000 railroad rental from the Illinois Terminal Railroad and \$912 from leases, easements and contracts, for the total of \$1,533,428.

List Other Costs

Operating expenses, in addition to the toll collectors' salaries, included a \$64 item for clearing roadway and \$8546 for fuel, light and water. Extra help cost \$423, printing of tickets cost \$187 and office supplies amounted to \$1948. Telephone and telegraph expense totaled \$1021.

Included among maintenance expense was \$4663 for maintenance of toll-collecting equipment, roadway and navigation lighting equipment and \$2727 for materials, supplies and truck expenses. Equipment purchases

amounted to \$2318. With the \$13,616 in maintenance salaries, total maintenance expense amounted to \$23,635.

General and administrative expense amounted to \$209,952, including a \$47,088 insurance item and \$8116 for fiscal, sub-fiscal and paying agents fees. Payroll taxes in this category included cost of \$11,420, while advertising cost \$12,998 which included the \$5952 salary of an advertising manager and \$7043 for advertising costs. Bridge office rental was \$2100 and consulting engineering fees amounted to \$7200. Highway consulting fees amounted to another \$3900 and bank service charges totaled \$1200.

Taxes of \$83,820, paid to the state of Missouri, were included in administrative expense.

Other expenses included \$737,381 in provisions for bond interest and \$100,000 paid to the city of Venice for operation of the bridge.

The audit showed that 4,982,973 vehicles used the bridge during the 1966-67 fiscal year, compared to 5,081,670 during the 1966 fiscal year. Traffic volume during the past year produced

revenue of \$1,290,070 in fare income, compared to \$1,322,503 the previous year.

Net traffic receipts for the last year amounted to \$1,278,957 compared to \$1,306,250 of the previous year, the audit showed.

Heaviest traffic month of the 1966-67 year was in August when 417,630 autos, 59,220 trucks and buses and 209 miscellaneous vehicles used the span for a total traffic load of 476,854 vehicles. The audit shows that in August of the previous year, while the peak traffic load for any one month, was 465,792.

This showed the daily average traffic volume over McKinley bridge in August last year was 15,454 vehicles, compared to 14,961 vehicles for the previous August.

Total decrease in the 1966-67 traffic load below that of the previous year was 97,665 vehicles, the audit showed. Total 1966-67 traffic was 4,982,973 vehicles compared to 5,081,670 for the 1966-67 year.

James C. Davis, 86, Dies; 55-Year Resident

James C. Davis, 86, a long-time resident of Granite City prior to entering the Pleasant Rest Nursing Home in Collinsville about 12 months ago, succumbed to pneumonia at 2:45 p.m. Monday at St. Luke's Hospital, St. Louis. He had been admitted at the hospital six days earlier.

Mr. Davis, who was born at Resolven, Wales, had lived in Elwood, Ind., before moving to Granite City 55 years ago. He remained a resident here until early last year. His wife, Mrs. Tillie Davis, died in 1951.

Prior to his retirement, Mr. Davis was employed for 54 years as a heater at Granite City Steel Co. He was a member of the Third Baptist Church.

Among the survivors are two daughters, Mrs. Finley (Evelyn) Maxwell and Mrs. Emerson (Ann) Williams, both of Granite City. Four grandchildren and two great-grandchildren. Also surviving is a nephew, funeral director Leonard Davis.

Funeral services were held at 11 a.m. today. Details are given in the obituary column.

March of Dimes Bowling Tournament Revived Here

The "March of Dimes Bowling Tournament," a benefit event conducted annually in Granite City until recent years, will be revived next week in conjunction with the 1968 March of Dimes campaign, according to Mrs. Emylee Alford and Mrs. Mary Pashoff, tournament co-chairmen.

The cash awards tournament for league bowlers will get under way Monday evening at Tri-Mor, Bowland and Depot lanes are eligible to compete for cash awards in the men's and women's divisions. Winners will be determined on a handicap of 70% of the difference between 200 and the bowler's actual average. Mrs. Alford said.

Scores bowled in regular league competition during the seven nights of the contest will be used to select winners in both divisions. It was announced.

Prize money in each division, is: First place, \$100; second place, \$50; third place, \$25; high scratch single game, \$12.50; and high scratch three, \$12.50.

Names of the winning bowlers will be published in the Press-Record and posted at local bowling lanes prior to presentation of awards on Sunday, Jan. 28, Mrs. Alford said.

Venice Expenses Up, Taxes Down For '66-67 Year

The city of Venice spent a total of \$508,025 for all operations during its 1966-67 fiscal year—\$24,139 more than its income of \$483,885—but completed the fiscal period with a cash balance of \$26,445, according to the city's annual audit submitted to the city council.

The year-end balance resulted from a cash balance of \$50,855 on the books at the end of the 1965-66 fiscal year, which actually gave the city total available funds of \$534,470 during the 1966-67 fiscal period that ended last April 30, the audit showed.

Income during the year included \$282,029 in general property taxes, \$9998 in license fees, \$115,000 borrowed from the working cash fund, \$48,000 borrowed from the M & C R bridge revenue fund, and \$28,858 in other revenue, including motor fuel tax and state sales tax allotments.

The total city expense of \$508,025 was an increase of \$87,975, most of which was in the amounts borrowed from the working cash and bridge revenue funds and therefore was not actual increases in cost of operation.

Street Costs Down

The city, in fact, decreased street and alley expenditures during 1966-67 by \$14,825 below those of the previous year. Street and alley costs for the last year totaled \$37,685, compared to \$52,510 in 1965-66. Police department expenditures were \$36,315 during 1966-67, or \$607 less than the previous year's cost of \$105,573.

Other 1966-67 expenditures, compared to those of the previous year, included: City hall, \$9853, up \$415; city officials, \$30,855, down \$2324; legal department, \$7106, up \$3670; library and health, \$2333, down \$1388; garbage collection, \$31,218, down \$1244.

Insurance, \$12,548, down \$1178; fire department, \$31,187, up \$763; elections, \$1508, up \$122; sewer repairs and pumping station, \$1647, down \$171; sidewalk and arterial street maintenance, \$5063, down \$816; public library, \$18,027, up \$23; police pension fund, \$34,381, up \$7324.

The audit shows that the city's tax settlement on taxes charged city collection for the

fund-raising drive by each contestant, she added.

Mrs. Bernadine Hagnauer, general chairman of the Granite City campaign, said today that proceeds from the tournament will help augment Granite City's donation quota, which last year exceeded \$7000 and was the highest contribution by any Madison county community.

League members bowling at Tri-Mor, Bowland and Depot lanes are eligible to compete for cash awards in the men's and women's divisions. Winners will be determined on a handicap of 70% of the difference between 200 and the bowler's actual average. Mrs. Alford said.

Names of the winning bowlers will be published in the Press-Record and posted at local bowling lanes prior to presentation of awards on Sunday, Jan. 28, Mrs. Alford said.

Edmond McMeans, 83, Dies; Ill Two Years

Edmond Patrick McMeans, 83, of Rural Route One, Box 65, died at 4:30 a.m. Tuesday at an Alton hospital where he was a patient 26 months.

A native of Mount Sterling, Ill., Mrs. McMeans had resided in Granite City for 54 years. Before retiring several years ago, he was employed at American Car and Foundry Co.

Mr. McMeans was preceded in death by his wife, Rose, in 1941. He was a member of St. Margaret Mary Catholic Church and a former member of American Car Foundry Workers, Lodge 365.

Surviving are two daughters, Mrs. Howard (Lorine) Campbell and Mrs. Loretta Wilkinson, both of Granite City; a brother, Leo McMeans, of Jacksonville, Ill.; two grandchildren one great-grandchild.

Funeral services were held today. Arrangements are listed in today's obituary column.

Toxicoid, Auto Collide

A taxicab driven by Lloyd T. Bugg, 2940 Myrtle avenue, crossing Nameoki road from Madison avenue to enter a parking lot, was struck by an auto driven by Charlotte R. Rapp, 17 Terrace lane, at 2:25 p.m. Monday.

1965 year totaled \$301,583, but after forfeitures, tax objections and collectors' fees were deducted receipts amounted to \$282,029. This was a decrease of \$17,949 below the total of \$299,978 in taxes received during the previous year.

The audit was prepared by the firm of Clifton, Gunderson, Coker and DeBryan of Carbonate.

Zoning Permit Sought to Open Shop for Rocks

Petition for a special use permit to operate a "rock shop" in an R-3 one-family residential district in Chouteau township at Mitchell will be given public hearing by the Madison County Zoning Board of Appeals Feb. 5. Jack Clifford, director of the Madison county building and zoning department, said the petition asks permission to establish a business of importing and selling rocks, and to erect a business sign on the property. The petition was filed by Ruby E. and Lyman Worthen, owners, and W. Eugene and Marguerite Schaefer, as purchasers. The hearing, one of three to be conducted the same day, is scheduled on the site at 8:45 a.m. Another on-site hearing is scheduled earlier at 9:30 a.m. on a petition for a use permit filed by Phillip C. Cripps. It asks a permit to conduct television sales from Cripps home near Mitchell in Chouteau township. The other hearing is set for 10:10 a.m. on a petition of Walter and Olive L. Chittman, owners, to permit construction of a service station in an R-3 one-family residence district in Nameoki Gardens about one-half mile north of the Granite City limits.

Madison Among Counties With Most New TB Cases

Madison, St. Clair and Lake counties reported the most new active cases of tuberculosis in downstate Illinois during the five-year period of 1962 through 1966, according to a report released by the Madison County Tuberculosis Association. The report said that the average annual increase over the period was 44 in Madison county, 83 in St. Clair and 93 in Lake county, on the basis of information compiled by the Illinois Tuberculosis Association. During the same five-year period no tuberculosis deaths were reported in Boone, Kendall, Platt, Schuyler, Scott and Stark counties. Stark reported no new TB cases. New active cases of tuberculosis reported during 1966 in the United States totaled 47,707, the report said, for a case rate of 24.4 cases per 100,000 population. In 1965 the corresponding figures were 49,061 and 25.3 respectively. The U. S. Public Health Service said that while both the number of cases and

the case rate continued their downward trend, the decline has been somewhat slower in recent years.

Illinois was one of 19 states each reporting more than 1000 new active cases in 1966. Illinois reported 3250 new cases in 1965 and 2338 in 1966, dropping the case rate from 30.5 in 1965 to 27.2 in 1966.

School of Missions Session Set Sunday

The second session of the annual school of Missions will be held at Niedringhaus Memorial Methodist Church, next Sunday evening. This special study, under the direction of the Commission on Missions, is engaged in an investigation of the church's response to modern Japan.

Mrs. William Marcus is chairman of the commission on missions and director of the school. The evening will begin with a fellowship supper at 6 p.m. which will be followed by the study hour at 7 p.m. Classes are provided for all ages. At 8 p.m. the entire school will view the color motion picture, "The Younger Brother," a film portraying the life of a young Japanese who goes into the city for employment and becomes involved in various programs of the Christian church.

In the morning worship services at 8:30 and 10:40, the sermon will be delivered by Rev. R. Paul Sims, on the theme "The Unknown God."

Antheims will be sung for both services by the Youth Choir and the Chancel Choir under the direction of Warren G. Simpkins.

No Identification Yet On Man Found Dead

A man found dead in a swampy area close to the Cahokia canal levee near Highway 111 three weeks ago remained unidentified this week.

There was no record of his fingerprints on file at the FBI crime laboratory in Washington or at the Illinois state police lab at Springfield.

There also is no report of a missing man fitting the description of the body, which was well dressed when found by three hunters. He carried no identification, and no indication of a crime was noted.

Leonard Davis, county coroner, is awaiting an autopsy report to determine the cause of death. The man, a Negro, was 35 to 40 years old, 5 feet 9 inches tall and 140 pounds.

Police Warning

'Pigeon Drop' Swindler Operating in Area Again

A "pigeon drop" swindler again is operating in the area, Granite City police reported this week.

He was unsuccessful in one case, however, in an attempt to bilk a 75-year-old Granite City woman out of \$2000.

She reported to police that he had represented himself as an investigator for a Granite City savings and loan firm and told her that a teller had stolen \$1500 from her account.

He asked her to withdraw \$2000 from her account so that the money could be marked in an effort to trap the teller. The bank issued her a check rather

than cash, and when the swindler came to her home to get the money, she refused to open the door.

Police advised other would-be victims to contact their police departments immediately if they suspect a pigeon drop artist.

All Granite City police officers now have new identification cards containing their photographs. The man previously has represented himself as a police officer.

Fire Burns Garage, Auto; Loss at \$1000

Fire caused \$800 damage to a garage and \$200 damage to a 1960 auto parked inside it at the home of Kenneth May, 2406 Missouri avenue, at 6:45 p.m. Monday.

The blaze was caused by an overheated coal stove in the garage. Firemen were on the scene for an hour and 20 minutes.

Overheated furnaces and blower motors also caused damage in two other fires. One was at 11:30 p.m. Monday at the home of Ella Crabtree, 2509 Benton street, where loss of \$150 was estimated, and at 1:35 a.m. Tuesday at the home of Mrs. Ada Brunner, 2305 Kirkpatrick Homes, where the loss was \$50. There was smoke damage at the Crabtree home.

Smorgasbord Dinner Set Sunday by KC's

The bowlers club of Tri-City Knights of Columbus Council 1098 will sponsor a smorgasbord dinner from noon to 8 p.m. Sunday in the KC of C. hall. The public is invited.

Lawrence Petri is chairman of the club's food committee. Tickets are \$2.25 each and may be obtained from members or at the door.

Proceeds will be used to help finance a trip to a national K. of C. bowling tournament to be held in the spring at West Allis, Wis.

Civil Service Secretarial Workshop Set at SIU-SW

Southern Illinois University will conduct a civil service secretarial workshop at the southwestern campus this month.

It will be presented in two identical sessions at the University Center Jan. 15-18 and Jan. 22-25 so that all of the campus secretaries will have an opportunity to attend.

Sponsored cooperatively by SIU's personnel office and the Center for Business Services at the campus, the in-service program will feature talks by business faculty members and officers of allied functions at both Southwestern and Carbondale campuses.

The only non-University speaker will be Mrs. June Mosley, business education teacher at Roxana high school and a certified professional secretaries' representative.

Both sessions will culminate with a luncheon for all participants Jan. 25 at the University Center. Robert W. MacVicar, vice-president of academic affairs will be the speaker.

A. G. Franke, director of SIU's Center for Business Services, said the workshop is designed to help civil service secretaries and clerical employees better understand University policies and procedures.

He said it also is aimed at enhancing their professional development and growth. He said participation in the program will be entered into each employee's record.

44 November Arrests In Venice: \$235 Fines

The Venice police department made 44 arrests during the month of November last year from which it received fines and fees amounting to \$235 according to a monthly report made by Police Chief John Essington.

Chief Essington said that of the 44 persons arrested, 14 were charged with city ordinance violations and 15 were arrested on traffic violations. One of the defendants was arrested on a paternity charge and turned over to county authorities, he said. Seven were arrested on state warrants charging theft over \$150, six of whom were bound over to the grand jury. The other defendant was released.

He said five others arrested were turned over to the Granite City police department and two were released to the Madison police department.

FIRST WOMEN'S JOB CORPS RECRUITS from the Quad-Cities are sworn in by Granite City Postmaster W. T. Overbeck (right). The enrollees, Sharon Virginia (left) and Marva Watt, both of Madison, departed Tuesday for the Job Corps Training Center at Marquette, Mich. Malcolm A. Thompson, local office supervisor, Illinois Employment Service, the recruiting agency, observed the induction proceedings, conducted Monday at the post office.

Cong. Price Heads Airlift Study Group

Cong. Melvin Price (D) East St. Louis, has been appointed chairman of a special ten-man subcommittee to analyze U. S. airlift operations, air rescue and aeromedical evacuation procedures and military research and development requirements in Southeast Asia. Classified matters also are to be reviewed by the committee.

Cong. Price was appointed to the subcommittee chairmanship by House Armed Services Committee Chairman Mendel Rivers. Price will head a two and one-half week inspection tour of military units in the Southeast Asia Theater to enable the committee to obtain first-hand information about U. S. airlift and military operational capabilities as they relate to the nation's overall defense picture.

The special subcommittee will function as an on-the-spot review team of military operations with which the two parent subcommittees have been concerned and on which previous reports have been issued.

Cong. Price, fourth ranking member of the Armed Services committee, indicated the special subcommittee will focus attention also on certain Defense Department research and development projects that have been funded on an expedited basis in the past two years to meet operational requirements in Southeast Asia.

2 Madison Girls Enroll In Women's Job Corps

Two young Madison women became the Quad-City area's first enrollees in the Women's Job Corps when formally inducted into the federal job training program at the Granite City post office building on Monday afternoon.

The enrollees are Miss Sharon Virginia, daughter of Mrs. Pearl Virginia, 215 Hill street, Madison, who attended Madison high school, and Miss Marva Watt, 1211 Logan street, West Madison, a Madison junior high school graduate.

Both are 18 years of age and have held several temporary jobs since leaving school. Malcolm A. Thompson, supervisor of the Illinois State Employment office at 2080 Iowa street, escorted the girls from his office to the induction ceremony, conducted by Granite City Postmaster Theodore Overbeck.

The two local girls, together with a Job Corps candidate from East St. Louis, departed by bus early Tuesday for the Marquette Job Corps Center for Women at Marquette, Mich. Thompson explained the area of training to be undertaken by the enrollees will be determined through a series of aptitude tests given at the Michigan center. He added that neither girl has yet decided on an ultimate job category, preferring to wait until their qualifications and skills are evaluated by the official testing program.

Psychiatric Aide Course To Open at Alton Hospital

Applications are being taken in the department of personnel, Alton State Hospital, for individuals interested in enrolling in an institution worker program for psychiatric aides. Applications will be received through Jan. 26 and personal interviews of applicants will be held Jan. 29 to Feb. 9. Classes will begin Feb. 26.

The institution worker program for psychiatric aides is a 20-week preparatory program for individuals who will be directly involved in patient care. Approximately one-third of the program is spent in the classroom; the remainder, in supervised experience in patient care areas.

Students enrolled in the program receive a \$314 monthly

wage. Upon successful completion of the program, the student becomes eligible to take a civil service examination for psychiatric aides. A satisfactory civil service examination grade makes the individual eligible to become a psychiatric aide 1.

Applicants for the program must have at least an eighth grade education. Anyone wishing to apply should contact the department of personnel—465-5593, Ext. 323.

Five professional nitpickers criticize the Javelin.

"Javelin is a world apart from the other ponycars in styling, comfort, space and features...the car turned and cornered as if it were nailed to the road...Nearly every interior dimension is larger than its competitors, and three in the full width back seat is a reality...Performance of our test car was just short of surprising...Too few cars have brakes equal to the optional front disc/rear drum power units on the Javelin..."

"BRAND NEW IMAGE BUSTER...transmission responds well to hard active operation and the synchromesh is all but flawless...driving the Javelin is an interesting and satisfying experience...the ability to bring a howl from the rear wheels in any of the lower gears is undeniably exciting...the Javelin has a lot of things going for it..."

"AN EXCITING NEW SPORTSTER...A real racy-looking car...shows up well on the road-handling course...fun to drive..."

particularly liked the action of the optional power steering...The Javelin reacts almost the same at high speed as it does during low-speed maneuvers."

—Popular Science Monthly, September, 1967

"AN AMERICAN DREAM...seat is surprisingly soft...On long series of tight right- and left hand curves, the quick response, the time it took to go from one steady state to another, was pleasingly impressive...Javelin's brakes were all we could want...optional heavy-duty suspension and wide tread tires really work wonders...you could feel and even control the point at which tire adhesion gave way..."

—Hot Rod Magazine, December, 1967

"FRONT END OF JAVELIN IS MEAN LOOKING...Fresh, clean lines and a luxurious interior...interior appointments very comfortable and well-laid out...visibility forward is excellent...has a lot more legroom than is generally associated with pony cars..."

Final Payment of '67 Estimated Federal Income Tax Due Jan. 15

(Internal Revenue Service)
 Next Monday, Jan. 15, is the due date for the final payment of 1967 estimated federal income tax.

An amended declaration of 1967 estimated income tax may be required by Jan. 15 from taxpayers who have had changes in income or exemptions during the last quarter of 1967 that cause substantial increase or decrease in income tax.

The amended declaration form printed on the notice of installment received by taxpayers may be used to amend the original estimate. Form 1040-ES (Amended) may be obtained from any IRS office.

An original declaration of 1967 estimated tax should be filed by Jan. 15 on Form 1040-ES by taxpayers who just became liable for filing an estimate during the fourth quarter. Payment of the last estimated filing of an amended declaration or original declaration which would otherwise be due on Jan. 15 need not be done if the taxpayer files his 1967 income tax return, Form 1040, and pays in full the balance of tax due on or before Jan. 31.

Due dates are different for farmers and commercial fishermen. Document No. 5111, "Estimated Tax and Tax Withholding," furnishes additional information on this subject and may be obtained by sending a request to your District Director, Internal Revenue Service, Springfield, Ill., 62707.

Non-Road Gasoline, Oil
 Most taxpayers who use gasoline and lubricating oils for non-highway purposes do not file claims for refund of the federal excise tax paid on gasoline.

Credit for the tax may be claimed on income tax returns for 1967. Form 4136 is used to compute this amount of credit, and must be attached to the tax return.

The law generally provides that a credit may be claimed for two cents of the four-cent-a-gallon federal tax paid on motor vehicle fuels used in other than registered highway vehicles. The credit for gasoline used on a farm for farming purposes is four cents a gallon.

There may be a credit of six cents a gallon for lubricating oil used for non-highway purposes where the tax has been paid.

Transit systems furnishing scheduled common carrier transportation service on regular routes may also qualify for the credit under certain conditions.

The credit allowable on the tax return of calendar year taxpayers is limited to that gasoline and lubricating oil used during 1967.

Quarterly Refunds
 If the refund is either gasoline or lubricating oil is separately \$1000 or more during any of the first three calendar quarters of 1968, a claim for refund, Form 843, may be filed for each quarter. The claim must be filed in the quarter following the quarter for which the refund is claimed.

Frantic Trading of Stocks Less Successful Than Retaining Them

(National Association of Investment Clubs)
 Q. I'm unhappy about my broker because he advised me against selling and then buying back some of the stocks I own. I read especially to Little Industries, Occidental Petroleum and VSI Corp.

A. I'm convinced that, by selling some of these stocks when they were high and then buying them back at a lower price, I could have made a lot more money.

A. Stick with that broker. Fortune Magazine recently published some evidence that even the most experienced and sophisticated stock market operators are unable to beat the market by in-and-out trading.

Fortune made a study of the so-called "performance" of "go-go" funds, headed by highly skilled investors, and found that the funds would have made more money if they simply had continued to hold the securities they owned in 1965, instead of engaging in the frantic trading course they actually pursued.

Yes, these men are professionals who enjoy an outstanding reputation for handling the stock market, it seems obvious that the average person should not expect himself to all the risks involved.

The investors I've known who have made a fortune through the stock market are only a few. The good companies and continued to hold them.

lowing the period for which the refund is claimed.

No quarterly refund provision is available, however, for gasoline used on a farm for farming purposes. This amount may be claimed only as a credit on a timely filed income tax return.

The credit is available for gasoline used for such purposes as cleaning tools, machinery, etc., or in the operation of motorboats, aircraft, farm equipment, bulldozers, earth movers, etc.

It also applies to automobiles and trucks operated off the highway in connection with construction, mining or timber projects.

The credit is allowable, however, only on timely filed returns, including any approved extension.

Additional information is available by writing or visiting your local IRS office or by writing for IRS Publication No. 398, "Farmer's Gas Tax Credit," and Publication No. 378, "Federal Gas Tax Credit for Use of Gasoline and Lubricating Oil" also provides instructions on this subject.

When Business Is Good
 Q. Business has been good the past few months and my income should be considerably above what I declared on my estimate. Should I make a change on my next quarterly payment?

A. Yes, you can file an amended estimated tax return when the next quarterly payment is due on Jan. 15. Make the change right on the notice you receive. As an alternative, you do not have to file a fourth installment if you file your 1967 tax return by Jan. 31 and pay the balance due at that time.

Q. Our boy worked during his summer vacation from college and took a part-time job for the holidays. Is there any chance that the money he earned will cost us our deduction for him?

A. As long as your child is under 19 or a full-time student and you provide more than half his support, his earnings will not cause you to lose the exemption you claim for him.

Your son must file a return if he has gross income of \$800 or more. He should file a return if his income was less than that but taxes were withheld from his wages. He cannot obtain a refund of these taxes unless he files a return.

Q. I'm leaving the country in January. What should I do about my 1967 tax return?

A. For taxpayers who are traveling or living abroad on April 15 the date for automatic filing extension until June 15. Interest at the rate of 6% a year will be charged on any taxes unpaid after April 15.

Before going overseas, be sure to get a 1968 Form 1040, "U.S. Tax Guide for U.S. Citizens Abroad." Send a postcard to your district director asking for this free booklet.

Underpass Completion May Help Change 'Ugly Duckling' Into 'Golden Goose'

Paying \$2,300,000 in 1939 for the Chain of Rocks Bridge, the city of Madison found it to be a "goose that lays golden eggs." Paying \$2,970,000 in 1958 for the McKinley Bridge, Venice is in danger of seeing it turn into an ugly duckling; the city may have to default on some of the bond interest owed this year.

When the McKinley Bridge plan was announced, the size of the debt appeared to be too difficult to retire, despite large annual rental payments to the city by railroads along the bridge tracks. However, the subsequent connection with Interstate 70 at the McKinley Bridge markedly improved the outlook and the municipality began collecting \$100,000 a year as regular as clockwork.

There have been several traffic fluctuations since then, stemming from repair work on other Mississippi River toll spans and the opening of new federal free bridges. The Poplar street bridge completion this year has helped revenue below the level needed under the existing financial agreements.

Fortunately, although some austerity measures may have to be enacted in providing city services, Venice has not wasted its bridge profits but instead has built up a \$505,000 cash reserve earmarked as its share of the cost of constructing an underpass at the relocated Broadway railroad crossing.

With the Illinois Division of Highways extending the Great River Road southward and pledging to start construction of the underpass mid-summer of 1966, the traffic separation may soon become an accomplished fact—eliminating a bottleneck and enabling the McKinley Bridge to compete more effectively for part of the growing volume of bi-state vehicular travel.

In Big War, A Weakened Steel Industry Could Not Revive Fast Enough

(Second of two articles by the American Iron and Steel Institute)
 Revitalizing a steel industry weakened by adverse economic factors is a long, tough job. The British and Western Europeans are discovering.

Under wartime conditions, it would be nearly impossible to shift from peacetime to global responsibilities cannot afford to rely for any important part of their needs on overseas sources of steel thousands of miles away.

Why Competition Is Difficult
 Because of the support and protection given by many foreign governments to their steel industries, the import problem cannot practically be met by U. S. producers either by aligning their prices on world prices or by exporting steel at prices equal to or below prevailing world prices.

The first course would lead, as it has in Western Europe, to a rapid deterioration of the steel industry in the United States across the entire range of products and in all regional markets, since the United States has the products used here in substantial quantities and penetrate all the major steel consuming regions.

Import prices are now so low that alignment with them by the domestic industry on a broad scale would lead to serious financial consequences, as the Europeans have discovered.

Exporting at predatory and opportunistic prices would also lead to losses, particularly in view of the non-tariff barriers to imports in other countries and the fact that the United States has the products used here in substantial quantities and penetrate all the major steel consuming regions.

Japan Biggest Problem
 Overshadowing all other aspects of the steel import problem is the special case of Japan. The differences in wage levels on the one hand and the similarities in steel plant technology on the other exist to an exaggerated degree between Japan and the United States.

The Japanese industry is clearly an instrument of national policy as to international trade and, as such, is heavily favored in terms of capital subsidies, which gives it a major advantage in unit labor costs.

It is also insulated from competitive imports. Present expansion plans, if carried out, would mean that by 1975 Japanese steel exports would total 2 1/2 to 3 million tons of shipments (30 to 40 million tons of raw steel) and constitute 40% to 50% of all world trade in steel other than trade within the European Common Market.

Keep the Three-Month Lead in Water Fluoridation Preparations

Word that the East St. Louis & Interurban Water Co. has forwarded its fluoridation plan to the Illinois Department of Public Health three months ahead of the planning deadline is refreshing news.

Hopefully, the actual start of fluoridation—reducing future tooth decay by 60%—can take place well before the July 1 deadline set by the state legislature. If the same three-month lead can be maintained, the startup date would be April 1.

It is worthy of note that the utility does not anticipate any increase in water rates with fluoridation.

Opponents formerly cited large cost projections in urging inaction, but the task of including one part of fluoride with each million part of water does not actually involve excessive expenditures. Similar chemicals have been added to the water supply on a routine basis for many years.

Enough Funds, Enthusiasm Here To Revive Yearly Concert Series

Reorganization of the Community Concert Association in Belleville makes us wonder whether a similar step could be taken locally.

In the case of Belleville, four fall and winter concerts continue to be held each year and the current revamping was decided on as a means of injecting new volunteers into the governing and operating structure. The Quad-City situation is more serious because concert series have not been held here for several years.

The project of scheduling guest solo and ensemble appearances by internationally known dancers, musicians and vocalists failed here partly because of the lack of local association officials. But of season memberships generally proved to be simple to accomplish, but not enough people utilized their tickets, resulting in disappointing turnouts. There was some financial loss, but the state and local association officials felt it was not worthwhile unless more people were present to hear and see the concerts.

Perhaps the same problem might exist to some degree if the Tri-City community Concert Association is revived, but the lack of absence may have instilled enough awareness of the problem that larger crowds would be attracted.

Also, it should not be difficult to devise a procedure under which up to several hundred interested music students—primarily at the high school and university levels—could be granted the seats of association members unable to attend. This might assure the presence of enthusiastic capacity audiences.

The idea warrants new study by Quad-City area aficionados of the performing arts.

Maybe it's a good thing that we don't get all the government we pay for.

20% to 25% of steel sold in world trade in 1966.
 Determination of government subsidies to maintain viable domestic steel industries makes it probable that outlets for most of the surplus steel produced in the United States unless counter measures are taken.

There is an increase in U. S. imports from Japan to a level of 25 or 30 million tons would cause serious damage to the growth in steel consumption in this country.

Danger to U. S. and Japan
 This is obviously a dangerous situation for both the United States and Japan. If an important factor in Japanese expansion plans is an assumption that the United States will continue to import increasing amounts of Japanese steel, the import problem cannot practically be met by U. S. producers either by aligning their prices on world prices or by exporting steel at prices equal to or below prevailing world prices.

The first course would lead, as it has in Western Europe, to a rapid deterioration of the steel industry in the United States across the entire range of products and in all regional markets, since the United States has the products used here in substantial quantities and penetrate all the major steel consuming regions.

YULETIDE AID TO POOR ENJOYABLE, WORTHWHILE To the Editor:

The week before Christmas the Granite City Jaycees did a wonderful thing. They took several children from needy families and brought them clothes, shoes and toys so that they might have a better Christmas.

I was fortunate enough to have been asked to participate in this project. Being "Miss Granite City," I am asked to participate in many community projects, but none has been an experience such as this one. Sure, people realize that there are poor people in the world, but we just don't picture them so close to home. These children were from poor families right here in Granite City.

Captain Harold Thomas of the Salvation Army realizes this; in fact, it was with his help and that of Jaycees Rich Dawdy, Ray Lake and Larry Patton that the project was possible. I was asked to make up a list of the children and myself took the children shopping.

Pushing With An Auto to Start Another Car Banned in Illinois

(Tri-City and Illinois Bar Associations)
 The old tried and true method of getting a stubborn car started on a cold, winter morning by giving it a push with your car.

But don't try it this winter. It is now against Illinois law for one vehicle to be pushed by another on the public roadways except in an emergency. Ordinarily, a dead battery or cold engine doesn't constitute an emergency. And, even if it did, the law says a vehicle may not be pushed farther than is necessary to remove it from the roadway or from any immediate hazard.

Other rules of the road, based on both new and old laws, have a special bearing on what you should do when starting your car this winter. Here they are:

Weather, Road Conditions
 1. Reduce speed on icy or snow covered roads or when "a special hazard exists" due to reason of weather or road conditions.
 2. Turn on headlights—not just parking lights—at sunset or "at anytime visibility is so limited as to require the use of lights for safety"

3. Always signal for a turn. All vehicles must be equipped with electric turn indicators and these should be used. If the electric signal is inoperative, you MUST roll down the window on the driver's side and give the appropriate hand signal.

4. Give the appropriate turn signal to indicate a change of lane or a start from a parallel parked position (a new law). But not on a flashing turn signal on one side of the vehicle to indicate a parked or disabled vehicle, or as a "do pass" signal to motorists approaching from the rear.

5. Allow ample room for a passing maneuver. On a two-lane highway, after overtaking and passing another vehicle on its left, you must return to the right lane before coming within 200 feet of any vehicle approaching from the opposite direction.

6. Do not leave the motor running when the vehicle is parked on a roadway unless the driver is in the car.

7. Studded snow tires may be used in Illinois for the first time this winter (between Oct. 1 and May 1).

50 YEARS AGO

JANUARY 11, 1918
 E street is to be paved with brick from 18th to 19th street. The recommendation by the Granite City Board of Local Improvements was adopted by the city council Tuesday evening. City Engineer Edmund Hall estimated the cost of the improvement at \$6783.

Final action on the Madison county hard roads bond issue proposal is scheduled for the Jan. 17 Board of Supervisors meeting.

BPO Elks Lodge 1063, now ten years old, will dedicate its new building Jan. 19, with Grand Lodge officers officiating. The main floor contains the ladies' parlors, bar, equipped with electric piano, dressing room and tables, writing desks, library and banquet room. The second floor is arranged as a lodge hall and dance floor. The basement contains a rathskeller, pool and billiard rooms, card tables and kitchen.

At a special meeting in the new structure this week, a large group of members witnessed initiation of nine candidates into the order—G. W. H. F. A. W., Lee I. George Hayward and F. E. Niedringhaus, Gus Nieman, William Champion and Ben Schermer.

Local Boy Scouts placed first in Illinois in Second Liberty Loan campaign competition for the president's flag.

The Baptist Church elected as officers for the year Rev. E. M. Ryan, moderator; Mrs. W. F. Coolidge, clerk; Edwin Ridge, treasurer; Miss Phyllis Carpenter, organist; and W. J. Coudy, head usher. Sunday school officers will be Supt. Harry Fossick, Assistant Supt. James Little, Miss Hazel Coudy, secretary, Miss Rosie Ford, treasurer, and Miss Florence Westrope, organist.

Four brothers in the Fryntko family, Theodore, Vladimir, Harry and Vasil, are in the service.

Rev. Thomas F. Zimmerman, pastor of Full Gospel Tabernacle, climbed out of a local barber chair and paid the barber, Richard Baker, for a haircut. As Baker rang up the amount, the cash register, obviously bought years ago for a different vocation than barbering, also rang up another tab, "Pool." The red-faced barber apologized.

penignant to our basic economy penetration of the U. S. market by imports.

New Legislation Vital
 A new legislative approach seems to be a clear necessity. The facts and considerations essential to an understanding of the problem have been assembled, but the dangerous disarray that some men see here and developed to arrest the growing abroad.

Baptist Conference On Evangelism Set

Dr. W. A. Criswell, pastor of First Baptist Church, Dallas, Tex., will be the featured speaker for the 1968 conference on Evangelism at Calvary Baptist Church, Alton, on Jan. 15 and 16.

A registration of over 1000 is expected for the conference which will emphasize the Baptist Crusade of America, an Evangelistic effort for 1968 and 1969.

Included in the musical program planned will be Richard Baker, a religious composer, vocalist, and instrumentalist, who will direct a choir of 100 voices, composed of members from church choirs in Madison and St. Clair counties.

Mrs. William Ellsworth of Granite City and Bill Sage of Peoria will accompany the choir at the piano and organ.

The men of Illinois will sing under the direction of Rod Latta, secretary of music for Illinois Baptists.

Other speakers will include Dr. Lewis A. Drummond, Louisville, Ky., Dr. Jack Stanton, Atlanta, Ga., Dr. D. Lewis White, Nashville, Tenn., Dr. James A. Smith, Rev. James Frost, Nashville, Tenn., and James A. Ponder.

Man Fined for Theft

Larry J. Calvert, 21, of Berkeley, Mo., was arrested Tuesday morning on a theft charge, stealing a quarter-inch electric drill from Granite City Steel Co. He pleaded guilty before Magistrate Matosian and was fined \$50 and costs. The complaint was signed by Mike Skubish of the plant police department.

Mayor Partney Looks to '68 for Major City Improvement Projects

In his monthly report to Granite City this week, Mayor Partney noted bright prospects in roadway construction here during 1968, along with fulfillment of the long-awaited separation of storm water and sanitary sewage.

He decided the changes in the city's air pollution control law last year and expressed his opinion that proper progress in this field can be achieved only with federal control.

Text of his monthly report follows:
Accomplishments, Setbacks
I feel that in the year of 1967 we have made many accomplishments and have had many setbacks. The obstacles we face are enormous in city government.

Our city, like all American cities, is a battleground where the struggle for the survival of our society is fought day after day.

In many fields of endeavor we were able to bring about improvements with the aid of the aldermen and the great help of the citizen's commissions and committees. I am most grateful for these commissions and committees and the time that is spent, without compensation, for the betterment of our community.

The federal grant of one and one-half million dollars and the matching funds that were provided by our citizens to provide sanitary sewers in unserved sections of our city and separation of the combination system in a large section of our city—this is progress that will certainly touch the lives, homes and property of many of our citizens and make Granite City a healthier and cleaner place in which to live.

The consideration shown to our community by one of our banks that purchased the sanitary sewer bonds, under the going interest rate, has made our sanitary sewers a reality.

Urges Federal Control
A great setback in 1967 to our citizens was our air pollution control law. I feel a workable program for progress in control of air pollution can only be achieved by federal control. The Department of Health, Education and Welfare should develop and promptly implement an expanded program and the national goal for air quality should be the achievement of an atmosphere with no significant detectable adverse effect from air pollution on health, welfare and the quality of life.

The Environmental Science Service Administration of the Department of Commerce should establish a research program to determine the effects of air pollution on atmospheric processes.

The federal government should continue to establish standards for all harmful emissions. We should develop cooperative mechanisms to accelerate the worldwide interchange of information relating to air pollution, its effects, and control.

The Department of Health, Education and Welfare should establish primary operating responsibility for the air pollution control system at the highest possible organizational level. This seems to be the only way air pollution will ever be controlled in Granite City.

Prospects for '68
The year 1968 should be a very progressive year for our community with the paving, lighting and traffic control of the south section of Route 151 from the north

city limits to Niedringhaus avenue. The redistricting of our city to seven wards.

We are still trying to overcome our loss of \$275,000 in operating funds through the Dodge-Butler law, without a cut in public service or a raise in taxation.

We hope to receive some help on our drainage problem from the East Side Levee and Sanitary District, as their share of taxes received from Granite City Township over the past three years amounted to \$1,993,218 plus \$7000 from our Granite City Housing Authority in lieu of taxes.

In municipal government to operate, it is almost impossible to operate without state and federal aid. It has always been my belief that we should operate as close to our income as possible and in the interest of the taxpayer.

I welcome all citizens to attend council meetings on the first, third, and fourth Mondays of each month to see our government in action.

Youth Emphasis Days Set at Local Church

Veron McLellan, known by the name "Mister Mac," will be guest speaker during Youth Emphasis Days, Jan. 14-17 at First Assembly of God Church, 24th and Grand avenue.

Prior to becoming executive director of "Sound of Youth, Inc.," McLellan served in a variety of youth-related activities, including a five-year term as Youth Pastor at Denver's interdenominational Calvary Temple.

For several years he was editor of "Youth For Christ" magazine. While serving in that capacity, the magazine won top prizes in the Evangelical Press Awards.

Also trained as a musician, McLellan received his musical education at the London Conservatory and was later violinist with the Canadian Symphony. With his brother, Cyril McLellan, he performed as guests with the Canadian Symphony, doing the Bach Two Violin Concerto.

Pastor Allen Groff has invited the public to hear "Mister Mac" on Sunday night at 6:30 p.m. Wednesday evening at 7:30 p.m. Monday and Tuesday night will be for youth only as they meet in the Fellowship Hall of the church at 6:30 p.m.

Youth director Charles Swick extends an invitation to the youth of the area to attend any or all meetings, and a dinner hour on Tuesday at 6 o'clock.

Leaves Lot, Collides
While attempting a left turn off of the Belmore Village shopping center parking lot, an auto driven by David L. Polivich, 4908 Carl avenue, collided with another driven by Rex L. Waggoner, 2411 Hemlock street, at 11:15 p.m. Monday at Nameoki and Johnson roads.

March of Dimes

Birth Defects Drive Poster Child Named

An angelic-looking, blonde limp whose heart-winning smile captures the affection of all who meet her has been selected the Madison County Birth Defects Poster Child, according to Mrs. Bernadine Hagnauer, 1968 March of Dimes chairman for the Granite City area. The annual fund-raising campaign is held each January.

The 27-month-old youngster is Stephanie Ann Szczepank, only child of Mr. and Mrs. Stanley Szczepank, 2716 West Delmar avenue, Godfrey.

Mrs. Hagnauer said the 1968 Poster Child was born with a meningococcal (open spine) which was ruptured at birth. At four days old, the spine was successfully closed at the March of Dimes Birth Defects Center at St. Louis Children's Hospital.

Also Clubbed Feet
The infant immediately started to develop hydrocephalus (water on the brain) and at the age of eight weeks, a Holter valve was surgically implanted to help relieve this condition. The local chairman said that upon release from the hospital at ten

weeks old, casts were applied to correct bi-lateral clubbed feet and were worn by the infant until 13 months of age when she received her first pair of shoes. In May of last year, at 19 months, Stephanie was placed in traction to correct a congenital dislocation of the right hip and one week later was eased in a body cast and sent home.

Mrs. Hagnauer said that Stephanie returned to the March of Dimes Treatment Center for removal of the casts just two months ago and presently is undergoing therapy prior to having braces fitted. The tiny poster child still has to undergo surgery to correct a urinary tract abnormality, the chairman added.

The youngster was born on Oct. 11, 1965, at Alton Memorial Hospital. Her father, 31, was graduated from East St. Louis high school and attended Southern Illinois University-Southwestern campus. He is employed by Colonial Bakery in Alton.

Stephanie's mother, Anna, is 26 years of age. She is a graduate of Roosevelt high school, St. Louis, and attended University College of Washington University and SIU-SW.

In describing the medical

history of the 1968 Madison County Poster Child, Mrs. Hagnauer pointed out that contributions to the March of Dimes campaign now primarily support research and treatment in this field.

"Public concern for every child born less than perfect must be enhanced," the chairman said. She added, "increased public support is required to permit comprehensive care for today's birth defect victims—and to provide necessary funds to intensify research and find the means of preventing defects in the children of tomorrow."

Co-Chairman-Activities

Assisting Mrs. Hagnauer as Granite City co-chairman in this year's drive and "March of Dimes" is Mrs. Julia Lancaster, 3801 Franklin avenue.

Other appointments announced this week by the local chairman, include Mrs. Emylee Alford, 2017, Missouri avenue, chairman, and Mrs. Mary Paschoff, 2113 Fehling road, co-chairman, "March of Dimes Bowling Tournament". Mrs. Toby Worthen, 2245 Fortune drive, chairman, and Mrs. Billie Schuler, 3237 Newell drive, co-chairman, Granite City schools collection; and Daniel Churoch, 2832 Edwards street, chairman, canister distribution.

Assigned in Vietnam

Army Specialist Four Dennis G. Roberts, 19, son of Glenn L. Roberts of Granite City, has been assigned as a clerk typist in the 33rd General Support Group's Headquarters Company near Yung Tau, Vietnam.

Window Shot with BB

Mrs. John Scott, 2908 East 23rd street, reported at 11 a.m. Wednesday that a B B hole was shot in a window of her property.

Third Gas Usage Record in Week

Customers of Illinois Power Co. used record amounts of natural gas Sunday, Jan. 7, for the third time in a week it was announced today. New consumption peaks also were set on Saturday, Jan. 6, and Sunday, Dec. 31.

Consumption on Sunday, Jan. 7, was 524,800,000 cubic feet or 6% higher than the peak day last year of 494,900,000 cubic feet on Dec. 31. On Jan. 6, consumption was 504,900,000 cubic feet.

The peak day during 1966 was 486,168,000 cubic feet on Jan. 2, a spokesman for the utility said.

Probe Trailer Break-in

Possible break-in of a Chicago & Northwestern railroad piggy-back trailer was investigated Tuesday morning by Madison police who reported that blood and dragging marks were found alongside the trailer in the C&N lot on Collinsville avenue. Police said tire marks from either a station wagon or pickup truck also were noted. The trailer contained quarters-sides of beef and was shipped from Green Bay, Wis. Police said railroad agents reported the trailer bore one seal number when it was shipped, but bore a different seal when checked at the yards said Tuesday.

Elks Lodge to Honor Mr. and Mrs. Jelf

The Elks Lodge will honor retired Granite City Assistant Police Chief Floyd Jelf and his wife, Kay, with a going-away party, at which Mrs. Jelf will play the piano, it was announced this week by the exalted ruler, C. O. Parker. The party will be Jan. 20 at the lodge.

The Jelfs are leaving to make their home in Florida. Also planned are mix doubles bowling for Elks and Elkettes on Sunday and a 100th Elks anniversary initiation in February. The next regular meeting of the lodge will be at 5 p.m. Jan. 23.

Advantages of 1040A Outlined

Taxpayers who received a 1967 pre-addressed Form 1040A are urged to file that form if it fits their needs and they are eligible to use it.

Jay G. Philpott, district director of Internal Revenue for central and southern Illinois, said today that substantial savings will be realized if the form provided is used, because fewer key-punch operations are necessary to process the return.

"It also helps us utilize the full capabilities for which the Automatic Data Processing system was designed," he said. If the name or address has changed, make the necessary corrections and strike through the pre-printed information. If a refund is due, this will help insure delivery of the check to the correct address.

Taxpayers should also verify that their correct social security number is entered on the return they file, it was explained. The filing deadline for 1967 tax return is April 15.

Employers are being reminded that Form W-2, showing income and social security tax information for 1967, must be furnished all employees on or before Wednesday, Jan. 31.

and to bear interest at a rate or rates not to exceed 5 7/8% and

WHEREAS, notice of said election was published on the 22nd day of May, 1967, in the Granite City Press Record, a newspaper published in Granite City, Illinois, and said notice set out the amount of the proposed bond issue, the maturity of the bonds, the purpose for which they were to be issued, and the rate of interest; and

WHEREAS, the returns of said election have been filed with the City Clerk and on the 14th day of June, 1967, were submitted to and counted by the City Clerk, and it appears that the above Proposition carried by one thousand, four hundred forty-five (1,445) votes in favor thereof against one thousand, two hundred sixty-one (1,261) votes opposed thereof; and

WHEREAS, this City Council does now find that it is necessary and advisable to proceed forthwith to provide the assistance of said bonds:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS, AS FOLLOWS:

SECTION 1. That there are hereby authorized and directed to be prepared and issued negotiable coupon Sewerage System Improvement Bonds of the City of Granite City, Illinois, in the aggregate principal amount of One Million, Nine Hundred Thousand Dollars (\$1,900,000).

Said bonds shall be dated November 1, 1967;

Said bonds shall be of the denomination of Five Thousand Dollars (\$5,000) each;

Said bonds shall bear interest at the rate of five and one-half per centum (5 1/2%) per annum from the date thereof until the principal thereof, respectively, shall have been fully paid, payable November 1, 1968, and semi-annually thereafter on May and November 1 in each year (interest to accrue on and prior to maturity is to be evidenced by appropriate interest coupons to be attached to each of said bonds);

Said bonds shall be payable, both as to principal and interest, in lawful money of the United States of America at the American National Bank and Trust Company of Chicago, in the City of Chicago, State of Illinois;

Said bonds shall be subject to registration as to principal in the name of the holder upon the books of the City Treasurer, as provided in the form of bond hereinafter set out; and

Said bonds shall be numbered and shall be delivered, with all option of prior payment, as follows:

SECTION 2. That said bonds shall be executed by the manual signature of the Mayor of said City, attested by the City Clerk thereof, with the seal of the City impressed upon each bond, and the interest coupons to be attached to each bond shall be executed by the facsimile signatures of said officials, who, by the execution of said bonds, shall adopt such facsimile signatures as their own signatures.

SECTION 3. That the said bonds, the coupons to be attached thereto, and the registration certificate to be printed on the backs thereof shall be in substantially the following form:

UNITED STATES OF AMERICA
STATE OF ILLINOIS
COUNTY OF MADISON
CITY OF GRANITE CITY
5 1/2%
SEWERAGE SYSTEM
IMPROVEMENT BOND

No. _____ of \$5,000
The City of Granite City, Madison County, Illinois, acknowledged and hereby promises to pay to bearer or to order, the sum of _____ Dollars (\$_____) on the first day of November, 19____, with interest thereon from the date hereof at the rate of five and one-half per centum (5 1/2%) per annum until the principal hereof shall have been fully paid, and semi-annually thereafter on May 1 and November 1 in each year. Interest accruing to and including the maturity hereof shall be payable upon presentation and surrender of the coupons annexed to this bond as they severally become due.

Both principal and interest on this bond are payable in lawful money of the United States of America at the American National Bank and Trust Company of Chicago, in the City of Chicago, State of Illinois, and for the prompt payment of this bond and the interest hereon, the full faith, credit, and resources of the City of Granite City, Illinois, are hereby irrevocably pledged.

This bond is subject to registration as to principal in the name of the holder upon the books of the City Treasurer of said City, such registration to be noted hereon by said Treasurer. After such registration, this bond may be transferred by delivery to said Treasurer of a written instrument of transfer executed by the registered holder or by his attorney thereunto duly authorized, and such transfer shall be similarly noted hereon. This bond may be discharged from registration by being transferred in like manner to bearer, and thereupon, transferability by delivery shall be restored. This bond may be registered again from time to time as before. Registration of this bond shall not affect the negotiability of the coupons attached hereto, which shall remain payable by delivery merely, notwithstanding registration hereof.

This bond is one of a series of three hundred eighty (380) bonds, all of like date, tenor, and effect, except as to date of maturity, numbered from One (1) to Three Hundred Eighty (380), both inclusive, of the denomination of Five Thousand Dollars (\$5,000) each, aggregating the sum of One Million, Nine Hundred Thousand Dollars (\$1,900,000), issued for the purpose of paying part of the cost of altering and improving the sewerage system of said City by and through the construction of a surface water drainage

system and necessarily related improvements to the sanitary sewers of said City. Said bonds are issued under authority of Article 8, Division 4 of the Illinois Municipal Code, pursuant to an ordinance duly adopted by the City Council of said City, and with the approval of a majority of the electors of said City voting upon the question of the issuance thereof at an election held on the 10th day of June, 1967.

It is hereby certified, represented, and recited that all acts, conditions, and things required to exist, to happen, and to be performed, precedent to and in the issuance of this bond and the issue of which it is one, in order to make the same valid and binding obligations of said City, do exist, have happened, and have been performed in regular and due time, form, and manner, as required by law; that a direct annual tax upon all taxable property in said City has been levied for the payment of the principal of and the interest on this bond as the same shall mature and accrue; and that the total indebtedness of said City, however evidenced or incurred, including this bond and the issue of which it is one, does not exceed any statutory or constitutional limit.

IN TESTIMONY WHEREOF, the City of Granite City, Madison County, Illinois, has executed this bond by causing it to be signed by its Mayor, attested by its City Clerk, under the seal of said City, and has caused the annexed interest coupons to be executed by the facsimile signatures of said officials, who, by the execution hereof, adopt such facsimile signatures as their proper signatures, and this bond to be dated the first day of November, 1967.
